III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act \(^{27}\) and Rule 19b–4(f)(6) thereunder.\(^{28}\)

A proposed rule change filed pursuant to Rule 19b–4(f)(6) under the Act normally does not become operative for 30 days after the date of its filing. However, Rule 19b–4(f)(6)(iii) \(^{29}\) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that the Commission has previously approved proposed rule changes to permit listing and trading on the Exchange of Active Proxy Portfolio Shares similar to the Fund. \(^{30}\) For these reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing. \(^{32}\)

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Long-Term Stock Exchange; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to a Temporary Reduction in the Initial Listing Fee

May 27, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),1 and Rule 19b–4 thereunder,2 notice is hereby given that on May 18, 2021, Long-Term Stock Exchange (“LTSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

LTSE proposes a rule change to temporarily reduce by half the schedule of Initial Listing Fees for issuers’ Primary Equity Securities on LTSE in light of the competitive market for listings and the ongoing disruptions caused by the global COVID–19 pandemic.3 The Initial Listing fees would revert to their prior levels beginning on January 1, 2022.

The Exchange is filing this proposed rule change to amend Rule 14.601 to temporarily reduce by half the schedule of Initial Listing Fees for issuers’ Primary Equity Securities on LTSE in light of the competitive market for listings and the ongoing disruptions caused by the global COVID–19 pandemic.4 The Initial Listing fees would revert to their prior levels beginning on January 1, 2022.

1. Initial Listing Fee

The Initial Listing Fee in LTSE Rule 14.601(a)(1) is determined based on the market capitalization of the Company when it lists on the Exchange.5 The amount of such fee is set forth in the fee table LTSE Rule 14.601(a)(3). The Initial Listing Fee is prorated based on the number of trading days in the year remaining at the time of a Company’s initial listing.6 The proposed rule change would reduce the Initial Listing Fee in each listing tier for the remainder of 2021 by 50% while also retaining the proration calculation as set forth in the Rule.7 Thus, for example, a Company with market capitalization up to $1 billion listing on LTSE on May 31, 2021, would have an Initial Listing Fee of $44,642.50 ($75,000 × 150/252).8 Prior to the proposed rule change, the Initial Listing Fee would have been $89,285.00 ($150,000 × 150/252).

Beginning January 1, 2022, the Initial Listing Fees and Annual Listing Fees would revert to the levels as originally adopted in Rule 14.601.9

The Exchange believes that it is appropriate to temporarily reduce the listing fees amount by half for the remainder of 2021. The market for listings is highly competitive and the Exchange believes that a temporary

5 See supra note 3.

6 See supra note 3.

8 The Annual Listing Fee, which would be assessed for calendar year 2022 for a Company listing on LTSE in 2021, is not affected by the proposed rule change.

9 May 31, 2021 is the 150th trading day out of a total of 252 trading days in calendar year 2021.
