Review and Appeal Process*Clinical Review*

a. VA Form 10–10d, Application for CHAMPVA Benefits, is used to determine eligibility of persons applying for healthcare benefits under the CHAMPVA program in accordance with 38 U.S.C. 501 and 1781.

b. VA Form 10–7959a, CHAMPVA Claim Form, is used to adjudicate claims for CHAMPVA benefits in accordance with 38 U.S.C. 501 and 1781, and 10 U.S.C. 1079 and 1086. This information is required for accurate adjudication and processing of beneficiary submitted claims. The claim form is also instrumental in the detection and prosecution of fraud. In addition, the claim form is the only mechanism to obtain, on an interim basis, other health insurance (OHI) information.

c. VA Form 10–7959c, CHAMPVA Other Health Insurance (OHI) Certification, is used to systematically obtain OHI information and to correctly coordinate benefits among all liable

parties. Except for Medicaid and health insurance policies that are purchased exclusively for the purpose of supplementing CHAMPVA benefits, CHAMPVA is always the secondary payer of healthcare benefits (38 U.S.C. 501 and 1781, and 10 U.S.C. 1086).

d. VA Form 10–7959d, CHAMPVA Potential Liability Claim, provides basic information from which potential third party liability can be assessed. The Federal Medical Care Recovery Act (42 U.S.C. 2651–2653) mandates recovery of costs associated with healthcare services related to an injury/illness caused by a third party. Additional authority includes 38 U.S.C. 501; 38 CFR 1.900 *et seq.*; 10 U.S.C. 1079 and 1086; 42 U.S.C. 2651–2653; and Executive Order 9397.

e. VA Form 10–7959e, VA Claim for Miscellaneous Expenses, is used to adjudicate claims for certain children of Korea and/or Vietnam veterans authorized under 38 U.S.C., chapter 18, as amended by section 401, Public Law 106–419 and section 102, Public Law 108–183. VA’s medical regulations 38 CFR part 17 (17.900 through 17.905) establish regulations regarding provision of health care for certain children of Korea and Vietnam veterans and women Vietnam veterans’ children born with spina bifida and certain other covered birth defects. These regulations also specify the information to be included in requests for preauthorization and claims from approved health care providers.

f. Review and Appeal Process pertains to the approval of health care, or approval for payment relating to the provision of health care, under the Veteran Family Member Programs. The provisions of chapter 51 of 38 U.S.C. or 38 CFR 17.276 and 38 CFR 17.904 establish a review process regarding disagreements by an eligible beneficiary of a Veteran Family Member Program, provider, Veteran, or other representative of the Veteran or beneficiary with a determination concerning provision of health care or a health care provider’s disagreement with a determination regarding payment. The person or entity requesting reconsideration of such determination is required to submit such a request in writing. If such person or entity remains dissatisfied with the reconsideration determination, the person or entity is permitted to submit a written request for additional review.

g. Clinical Review pertains to the requirement of VHA to preauthorize certain medical services under 38 CFR 17.273 and 38 CFR 17.902. Clinical review determines if services are medically necessary and appropriate to allow under the Veteran Family Member

Programs. The person requesting the services must submit medical documentation or applicable supporting material for review.
