Organic Soybean Meal From India: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable June 3, 2021.

FOR FURTHER INFORMATION CONTACT: Lauren Caserta, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4737.

SUPPLEMENTARY INFORMATION:

Background

On April 20, 2021, the Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of organic soybean meal from India.¹ Currently, the preliminary determination is due no later than June 25, 2021.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires

¹ See *Organic Soybean Meal From India: Initiation of Countervailing Duty Investigation*, 86 FR 22136 (April 27, 2021).

Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) The petitioner² makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On May 26, 2021, the petitioners submitted a timely request that Commerce postpone the preliminary CVD determination.³ The petitioners stated that they request postponement of the preliminary determination of this CVD investigation to provide Commerce with sufficient time to analyze adequately all alleged subsidies received by the mandatory respondents during the period of investigation.⁴

In accordance with 19 CFR 351.205(e), the petitioners stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, August 30, 2021.⁵ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the

⁵ Postponing the preliminary determination to 130 days after initiation would place the deadline on Saturday, August 28, 2021. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: May 27, 2021.

Methodology

Commerce is conducting this investigation in accordance with section 731 of the Act. Commerce has calculated export prices in accordance with section 772(a) of the Act. Normal value has been calculated in accordance with section 773 of the Act. Furthermore, pursuant to sections 776(a) and (b) of the Act, Commerce has preliminarily used an adverse inference when selecting from among the facts otherwise available to determine the margin for PT Polyfin Canggih (Polyfin), one of three companies selected for individual examination in this investigation.⁸ For a full description of the methodology underlying the preliminary determination, *see* the Preliminary Decision Memorandum.

All-Others Rate

Sections 733(d)(1)(A)(ii) and 735(c)(5)(A) of the Act provide that in the preliminary determination Commerce shall determine an estimated all-others rate for all exporters and producers not individually examined. Pursuant to section 735(c)(5)(A) of the Act, this rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding rates that are zero, *de minimis*, or determined entirely under section 776 of the Act.

In this investigation, Commerce preliminarily calculated individual estimated weighted-average dumping margins for PT. Asia Pacific Fibers Tbk (Asia Pacific) and PT. Mutu Gading Tekstil (Mutu Gading) that are not zero, *de minimis*, or based entirely on facts otherwise available. Commerce calculated the all-others rate using a weighted average of the estimated weighted-average dumping margins calculated for Asia Pacific and Mutu Gading using each company's publicly-ranged values for the merchandise under consideration.⁹

⁷ Case briefs, other written comments, and rebuttal briefs submitted by in response to this preliminary LTFV determination should not include scope-related issues. *See* Preliminary Scope Decision Memorandum, and "Public Comment" section of this notice.

⁸ For a full discussion on respondent selection in the investigation, *see* the Preliminary Determination Memorandum at 2.

⁹ With more than one respondent under examination, Commerce normally calculates (A) a weighted-average of the estimated weighted-average

Preliminary Determination

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist:

Producer or exporter	Estimated weighted-average dumping margin (percent)
PT Polyfin Canggih	* 26.07
PT. Asia Pacific Fibers Tbk	9.20
PT. Mutu Gading Tekstil	7.45
All Others	8.71

* Adverse Facts Available (AFA).

Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise, as described in Appendix I, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**.

Further, pursuant to section 733(d)(1)(B) of the Act and 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit for estimated antidumping duties as follows: (1) The cash deposit rate for the respondents listed above will be equal to the company-specific estimated weighted-average dumping margins determined in this preliminary determination; (2) if the exporter is not a respondent identified above, but the producer is, then the cash deposit rate will be equal to the company-specific estimated weighted-average dumping margin established for that producer of the subject merchandise; and (3) the cash deposit rate for all other producers and exporters will be equal to the all-others estimated weighted-average dumping

dumping margins calculated for the examined respondents; (B) a simple average of the estimated weighted-average dumping margins calculated for the examined respondents; and (C) a weighted-average of the estimated weighted-average dumping margins calculated for the examined respondents using each company's publicly-ranged U.S. sale quantities for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. *See Ball Bearings and Parts Thereof from France, Germany, Italy, Japan, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010). As complete publicly-ranged sales data was available, Commerce based the all-others rate on the publicly-ranged sales data of the mandatory respondents. For a complete analysis of the data, *see* Memorandum, "Antidumping Duty Investigation of Polyester Textured Yarn from Indonesia: Preliminary Determination Calculation for the All-Others," dated May 26, 2021.

margin. These suspension of liquidation instructions will remain in effect until further notice.

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination. Normally, Commerce verifies information using standard procedures, including an on-site examination of original accounting, financial, and sales documentation. However, due to current travel restrictions in response to the global COVID-19 pandemic, Commerce is unable to conduct on-site verification in this investigation. Accordingly, we intend to verify the information relied upon in making the final determination through alternative means in lieu of an on-site verification.

Public Comment

Case briefs or other written comments on non-scope issues may be submitted to the Assistant Secretary for Enforcement and Compliance. A timeline for the submission of case briefs and written comments on non-scope issues will be provided to interested parties at a later date. Rebuttal briefs, limited to issues raised in these case briefs, may be submitted no later than seven days after the deadline date for case briefs.¹⁰ The deadlines for submitting case and rebuttal briefs on scope issues are in the Preliminary Scope Decision Memorandum.¹¹ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Note that Commerce has temporarily modified certain of its requirements for serving documents

containing business proprietary information until further notice.¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination in the **Federal Register** if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Section 351.210(e)(2) of Commerce's regulations requires that a request by exporters for postponement of the final determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On April 30, 2021, pursuant to 19 CFR 351.210(e), Asia Pacific and Mutu Gading requested that Commerce postpone the final determination and that provisional measures be extended to a period not to exceed six months.¹³ Asia Pacific and Mutu Gading stated that the reasons for their requests is the magnitude and complexity of this investigation, as well as the time required for verification, briefing, holding a hearing, and issuing a final determination that addresses all the legal and factual issues raised by the

interested parties in this proceeding.¹⁴ Under the circumstances of this case, a postponement of the final determination for the maximum statutory period is warranted. In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The preliminary determination is affirmative; (2) the requesting exporters account for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce will make its final determination no later than 135 days after the date of publication of this preliminary determination, pursuant to section 735(a)(2) of the Act.

International Trade Commission Notification

In accordance with section 733(f) of the Act, Commerce will notify the International Trade Commission (ITC) of its preliminary determination. If the final determination is affirmative, then the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether imports of polyester textured yarn from Indonesia are materially injuring, or threaten material injury to, the U.S. industry.

Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act, 19 CFR 351.205(c), and 19 CFR 351.210(g).

Dated: May 26, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

Agreement Suspending the Antidumping Investigation of Certain Cut-to-Length Carbon Steel Plate From Ukraine: Final Results of Administrative Review; 2018–2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines in this administrative review of the Agreement Suspending the Antidumping Investigation of Certain Cut-to-Length Carbon Steel Plate from Ukraine (Agreement) that signatory Ukrainian producers/exporters Azovstal Iron & Steel Works (Azovstal) and Ilyich Iron and Steel Works (Ilyich), which are subsidiaries of Metinvest Holding LLC (Metinvest), are in compliance with the Agreement and that the Agreement is meeting the statutory requirements under sections 734(b) and (d) of the Tariff Act of 1930, as amended (the Act). The period of review (POR) is November 1, 2018 through October 31, 2019.

DATES: Applicable June 3, 2021.

FOR FURTHER INFORMATION CONTACT: Sally C. Gannon or Jill Buckles, Bilateral Agreements Unit, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0162 or (202) 482–6230, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 24, 2021, Commerce published the *Preliminary Results* of the administrative review of the Agreement.¹ The administrative review covers signatory Ukrainian producers/exporters Azovstal and Ilyich, which are subsidiaries of Metinvest and were individually examined in this review. We invited interested parties to comment on the *Preliminary Results*. No interested party submitted comments. Hence, these final results are unchanged from the *Preliminary Results*.

Scope of Review

For purposes of this Agreement, the products covered are hot-rolled iron and non-alloy steel universal mill plates (*i.e.*, flat-rolled products rolled on four faces or in a closed box pass, of a width exceeding 150 mm but not exceeding 1250 mm and of a thickness of not less than 4 mm, not in coils and without patterns in relief), of rectangular shape, neither clad, plated nor coated with metal, whether or not painted, varnished, or coated with plastics or other nonmetallic substances; and certain iron and non-alloy steel flat-rolled products not in coils, of rectangular shape, hot-rolled, neither clad, plated, nor coated with metal, whether or not painted, varnished, or coated with plastics or other nonmetallic substances, 4.75 mm or more in thickness and of a width which exceeds 150 mm and measures at least twice the thickness. Included as subject merchandise in the Agreement are flat-rolled products of nonrectangular cross-section where such cross-section is achieved subsequent to the rolling process (*i.e.*, products which have been “worked after rolling”) for example, products which have been bevelled or rounded at the edges.

This merchandise is currently classified in the Harmonized Tariff Schedule of the United States (HTS) under item numbers 7208.40.3030, 7208.40.3060, 7208.51.0030, 7208.51.0045, 7208.51.0060, 7208.52.0000, 7208.53.0000, 7208.90.0000, 7210.70.3000, 7210.90.9000, 7211.13.0000, 7211.14.0030, 7211.14.0045, 7211.90.0000, 7212.40.1000, 7212.40.5000, and 7212.50.0000. Although the HTS subheadings are provided for convenience and customs purposes, the written description of the

scope of the Agreement is dispositive. Specifically excluded from subject merchandise within the scope of the Agreement is grade X–70 plate.

Final Results of the Administrative Review

As a result of this administrative review, we continue to find Azovstal and Ilyich, collectively participating as Metinvest, to be in compliance with the terms of the Agreement during the POR and that the Agreement is meeting the statutory requirements under sections 734(b) and (d) of the Act. Commerce conducted this review in accordance with section 751(a)(1)(C) of the Act, which specifies that Commerce shall “review the current status of, and compliance with, any agreement by reason of which an investigation was suspended.”

Section 734(b) provides that Commerce may suspend an investigation if the exporters of the subject merchandise who account for substantially all of the imports of that merchandise agree to revise their prices to eliminate completely any amount by which the normal value (NV) of the merchandise which is the subject of the agreement exceeds the export price (or the constructed export price) of that merchandise. In addition, section 734(d) of the Act requires that Commerce be satisfied that suspension of the investigation is in the public interest and that effective monitoring of the agreement is practicable.

Commerce continues to find no evidence of non-compliance by Azovstal and Ilyich with respect to ensuring that subject merchandise is sold in the United States at prices that are at or above the applicable NV determined by Commerce. Therefore, Commerce continues to find for these final results that the Agreement is meeting the statutory requirements of section 734(b) of the Act. In addition, with regard to the requirements of 734(d) of the Act, Commerce continues to find for these final results that the Agreement is in the public interest and that effective monitoring of the Agreement is practicable.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is
