Any draft and final EIS will be available in electronic format in the public record through eLibrary² and the Commission's natural gas environmental documents web page (<https://www.ferc.gov/industries-data/natural-gas/environment/environmental-documents>).

Schedule for Environmental Review

Issuance of Notice of Availability of the final EIS: September 10, 2021
90-day Federal Authorization Decision Deadline: December 9, 2021

If a schedule change becomes necessary for the final EIS, an additional notice will be provided so that the relevant agencies are kept informed of the Project's progress.
