Increasing Market and Planning Efficiency Through Improved Software; Supplemental Notice of Technical Conference on Increasing Real-Time and Day-Ahead Market Efficiency Through Improved Software

As first announced in the Notice of Technical Conference issued in this proceeding on March 11, 2021, Commission staff will convene a technical conference on June 22, 23, and 24, 2021 to discuss opportunities for increasing real-time and day-ahead market efficiency of the bulk power system through improved software. Attached to this Supplemental Notice is an agenda for the technical conference and speakers’ summaries of their presentations.

While the intent of the technical conference is not to focus on any specific matters before the Commission, some conference discussions might...
