Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs. Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Certain Uncoated Paper From Portugal: Preliminary Results of the Administrative Review of the Antidumping Duty Order; 2019–2020

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that sales of certain uncoated paper (uncoated paper) from Portugal were made at less than normal value during the period of review (POR) March 1, 2019, through February 29, 2020. We invite interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On May 6, 2020, Commerce initiated an administrative review of the antidumping duty order on uncoated paper from Portugal, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). This review covers one producer/exporter of subject merchandise, The Navigator Company, S.A. (Navigator). For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.

On July 21, 2020, Commerce exercised its discretion to toll administrative review deadlines by 60 days. In addition, pursuant to section 751(a)(3)(A) of the Act, Commerce determined that it was not practicable to complete the preliminary results of this
review within the 245 days and extended these preliminary results by 118 days, until May 28, 2021.5

Scope of the Order6

The products covered by the Order are certain uncoated paper products from Portugal. For a full description of the scope, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. We calculated constructed export price in accordance with section 772 of the Act. We calculated NV in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum is available at http://enforcement.trade.gov/frn/.

Preliminary Results of the Review

We preliminarily determine that the following weighted-average dumping margin exists for the period March 1, 2019, through February 29, 2020:

<table>
<thead>
<tr>
<th>Exporter/producer</th>
<th>Weighted-average dumping margin (percent)</th>

Assessment Rates

Upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If Navigator’s weighted-average dumping margin is not zero or de minimis (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific ad valorem antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.222(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or de minimis. If Navigator’s weighted-average dumping margin is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.7 In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by Navigator for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair value (LTFV) investigation (i.e., 7.80 percent)8 if there is no rate for the intermediate company(ies) involved in the transaction.9 Consistent with its recent notice,10 Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate the appropriate entries of the subject merchandise covered by the final results of this review until Commerce rules on the LTFV investigation and liquidates Those entries at the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results.12 Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.13 Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.14 Case and rebuttal briefs should be filed using ACCESS15 and must be served on interested parties.16 Executive summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for serving documents.
