or (2) a period of three years after the conclusion of any litigation in United States courts regarding such entries.

(K) I understand that (NAME OF IMPORTING COMPANY) is required, upon request, to provide a copy of the exporter’s certificate supporting records provided by the exporter to the importer, to CBP and/or Commerce.

(L) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(M) I understand that failure to maintain the required certifications, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a de facto determination that all entries to which this certification applies are within the scope of the antidumping/countervailing duty order on corrosion resistant steel products from Taiwan. I understand that such finding will result in:

(i) Suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;

(ii) the requirement that the importer post applicable antidumping duty and/or countervailing duty cash deposits (as appropriate) equal to the rates determined by Commerce; and

(iii) the revocation of (NAME OF IMPORTING COMPANY)’s privilege to certify future imports of corrosion resistant steel products from Malaysia as not manufactured using hot-rolled steel and/or cold-rolled steel substrate from Taiwan.

(N) I understand that agents of the importer, such as brokers, are not permitted to make this certification.

(O) This certification was completed at or prior to the date of entry summary.

(P) I am aware that U.S. law (including, but not limited to, 18 U.S.C. 1001) imposes criminal sanctions on individuals who knowingly and willfully make material false statements to the U.S. government.

Appendix IV—Exporter Certification

SPECIAL INSTRUCTIONS: The party that made the sale to the United States should fill out the exporter certification. I hereby certify that:

(A) My name is [COMPANY OFFICIAL’S NAME] and I am an official of [NAME OF COMPANY], located at [ADDRESS];

(B) I have direct personal knowledge of the facts regarding the production and exportation of the corrosion resistant steel products identified below. “Direct personal knowledge” refers to facts the certifying party is expected to have in its own books and records. Exporter should have direct personal knowledge of the producer’s identity and location.

(C) The corrosion resistant steel products produced in Malaysia and covered by this certification were not manufactured using hot-rolled steel and/or cold-rolled steel substrate produced in Taiwan.

(D) This certification applies to the following sales to {NAME OF U.S. CUSTOMER}, located at [ADDRESS OF U.S. CUSTOMER], (repeat this block as many times as necessary):

Foreign Seller’s Invoice # to U.S. Customer:
Foreign Seller’s Invoice to U.S. Customer
Line Item #:
Producer Name:
Producer’s Address:
Producer’s Invoice # to Foreign Seller: (If the foreign seller and the producer are the same party, put NA here.)

(E) The corrosion resistant steel products covered by this certification were shipped to

{NAME OF U.S. PARTY TO WHOM MERCHANDISE WAS SHIPPED}, located at

{U.S. ADDRESS TO WHICH MERCHANDISE WAS SHIPPED}.

(F) I understand that (NAME OF EXPORTING COMPANY) is required to maintain a copy of this certification and sufficient documentation supporting this certification (i.e., documents maintained in the normal course of business, or documents obtained by the certifying party, for example, mill certificates, production records, invoices, etc.) for the later of:

(i) A period of five years from the date of entry or

(ii) a period of three years after the conclusion of any litigation in the United States courts regarding such entries.

(G) I understand that (NAME OF EXPORTING COMPANY) must provide a copy of this Exporter Certification to the U.S. importer by the date of shipment;

(H) I understand that (NAME OF EXPORTING COMPANY) is required to provide a copy of this certification and supporting records, upon request, to U.S. Customs and Border Protection (CBP) and/or the Department of Commerce (Commerce).

(I) I understand that the claims made herein, and the substantiating documentation, were subject to verification by CBP and/or Commerce.

(J) I understand that failure to maintain the required certification, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a de facto determination that all sales to which this certification applies are within the scope of the antidumping/countervailing duty order on corrosion resistant steel products from Taiwan. I understand that such finding will result in:

(i) Suspension of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met; and

(ii) the requirement that the importer post applicable antidumping duty and/or countervailing duty cash deposits (as appropriate) equal to the rates as determined by Commerce; and

(iii) the revocation of (NAME OF EXPORTING COMPANY)’s privilege to certify future imports of corrosion resistant steel products from Malaysia as not manufactured using hot-rolled steel and/or cold-rolled steel substrate from Taiwan.

(K) This certification was completed at or prior to the date of shipment.

(L) I am aware that U.S. law (including, but not limited to, 18 U.S.C. 1001) imposes criminal sanctions on individuals who knowingly and willfully make material false statements to the U.S. government.

Certain Uncoated Paper From the People’s Republic of China: Final Results of the Expended Five-Year Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this sunset review, the Department of Commerce (Commerce) finds that revoking the countervailing duty (CVD) order on certain uncoated paper (uncoated paper) from the People’s Republic of China (China) would likely lead to continuation or recurrence of countervailable subsidies at the levels indicated in the “Final Results of Review” section of this notice.

DATES: Applicable June 7, 2021.

SUPPLEMENTARY INFORMATION:

Background

On March 3, 2016, Commerce published in the Federal Register the CVD Order on uncoated paper from China.1 On February 1, 2021, Commerce published the notice of initiation of the first sunset review of the Order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).2 On February 12, 2021, Commerce received a notice of intent to participate from Domtar Corporation (Domtar), Finch Paper LLC (Finch Paper), and North Pacific Paper Company (NORPAC).

1 See Certain Uncoated Paper from Indonesia and the People’s Republic of China: Amended Final Affirmative Countervailing Duty Determination and Countervailing Duty Order (Indonesia) and Countervailing Duty Order (People’s Republic of China), 81 FR 11187 (Order).

2 See Initiation of Five-Year (“Sunset”) Reviews, 86 FR 7709 (February 1, 2021).
within the deadline specified in 19 CFR 351.218(d)(1)(i). Donmar, Finch Paper, and NORPAC claimed interested party status under section 771(9)(C) of the Act, as domestic producers of uncoated paper in the United States. On February 16, 2021, Commerce also received a notice of intent to participate from Packaging Corporation of America (PCA) and United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Services Workers International Union (USW). PCA claimed interested party status under section 771(9)(C) of the Act and 19 CFR 351.102(b)(29)(v), as a domestic producer of uncoated paper in the United States, and USW claimed interested party status under section 771(9)(D) of the Act and 19 CFR 351.102(b)(29)(vi), as a certified union with workers engaged in the manufacture and production of the domestic like product in the United States.

On March 1, 2021, Commerce received a substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no substantive response from any other domestic or interested parties in this proceeding and no hearing was requested.

On March 23, 2021, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(i)(C)(2), Commerce conducted an expedited (120-day) sunset review of this Order.

Scope of the Order

The scope of the Order includes uncoated paper in sheet form; weighing at least 40 grams per square meter but not more than 150 grams per square meter; that either is a white paper with a GE brightness level of 85 or higher or is a colored paper; whether or not surface-decorated, printed (except as described below), embossed, perforated, or punched; irrespective of the smoothness of the surface; and irrespective of dimensions (Certain Uncoated Paper).

Imports of the subject merchandise are provided for under Harmonized Tariff Schedule of the United States (HTSUS) categories 4802.56.1000, 4802.56.2000, 4802.56.3000, 4802.56.4000, 4802.56.6000, 4802.56.7020, 4802.56.7040, 4802.57.1000, 4802.57.2000, 4802.57.3000, and 4802.57.4000. Some imports of subject merchandise may also be classified under 4802.62.1000, 4802.62.2000, 4802.62.3000, 4802.62.5000, 4802.62.6020, 4802.62.6040, 4802.69.1000, 4802.69.2000, 4802.69.3000, 4811.90.8050 and 4811.90.9080. While HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the Order is dispositive.

Analysis of Comments Received

All issues raised in this sunset review are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn.

Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(b) of the Act, Commerce determines that revocation of the Order would be likely to lead to continuation or recurrence of countervailable subsidies at the following rates:

<table>
<thead>
<tr>
<th>Manufacturers/producers/exporters</th>
<th>Net countervailable subsidy (percent)</th>
</tr>
</thead>
<tbody>

Administrative Protective Order (APO)

This notice also serves as the only reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305.

Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing the final results and this notice in

“Colored paper” as used in this scope definition means a paper with a hue other than white that reflects one of the primary colors of magenta, yellow, and cyan (red, yellow, and blue) or a combination of such primary colors.

For a full description of the scope of the order, see Memorandum, “Issues and Decision Memorandum for the Expedited First Sunset Review of the Countervailing Duty Order on Certain Uncoated Paper from the People’s Republic of China,” dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

---

3. Collectively, Domtar, Finch Paper, NORPAC, PCA, and USW are referred to as the domestic interested parties.
6. One of the key measurements of any grade of paper is brightness. Generally speaking, the brighter the paper the better the contrast between the paper and the ink. Brightness is measured using a GE Reflectance Scale, which measures the reflection of light off a grade of paper. One is the lowest reflection, or what would be given to a totally black grade, and 100 is the brightest measured grade.

Seamless Carbon and Alloy Steel Standard, Line and Pressure Pipe from the People’s Republic of China: Final Results of the Expedited Sunset Review of the Antidumping Duty Order

Agency: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Summary: As a result of this expedited sunset review, the Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on seamless carbon and alloy steel standard, line and pressure pipe (SSLP) from the People’s Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Review” section of this notice.

For Further Information Contact:

Thomas Martin or Zachary Shaykin, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3936 or (202) 482–2638, respectively.

Supplementary Information:

Background

On November 10, 2010, the Department of Commerce (Commerce) published in the Federal Register a notice of the AD order on seamless carbon and alloy steel standard, line and pressure pipe from China.1 On February 1, 2021, Commerce published its initiation of the second sunset review of the Order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).2 From February 5, through 16, 2021, Commerce received timely and complete notices of intent to participate in the sunset review in relation to the Order from domestic interested parties3 within the deadline specified in 19 CFR 351.218(d)(1)(i).4 The domestic interested parties claimed interested party status pursuant to section 771(9)(C) of the Act as manufacturers in the United States of the domestic like product.5

On March 3, 2021, the domestic interested parties filed a timely and adequate substantive response within the deadline specified in 19 CFR 351.218(d)(3)(i).6 Commerce did not receive substantive responses from any respondent interested party with respect to the Order covered by this sunset review. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the Order.

Scope of the Order

The merchandise covered by this order is certain seamless carbon and alloy steel (other than stainless steel) pipes and redrew hollows, less than or equal to 16 inches (406.4 mm) in outside diameter, regardless of wall-thickness, manufacturing process (e.g., hot-finished or cold-drawn), end finish (e.g., plain end, beveled end, upset end, threaded, or threaded and coupled), or surface finish (e.g., bare, lacquered or coated). Redraw hollows are any unfinished carbon or alloy steel (other than stainless steel) pipe or “hollow profiles” suitable for cold finishing operations, such as cold drawing, to meet the American Society for Testing and Materials (“ASTM”) or American Petroleum Institute (“API”) specifications referenced below, or comparable specifications. Specifically included within the scope are seamless carbon and alloy steel (other than stainless steel) standard, line, and pressure pipes produced to the ASTM A–53, ASTM A–106, ASTM A–333, ASTM A–334, ASTM A–589, ASTM A–795, ASTM A–1024, and the API 5L specifications, or comparable specifications, and meeting the physical parameters described above, regardless of application, with the exception of the exclusion discussed below.

Specifically excluded from the scope of the order are: (1) All pipes meeting aerospace, hydraulic, and bearing tubing specifications; (2) all pipes meeting the chemical requirements of ASTM A–335, whether finished or unfinished; and (3) unattached couplings. Also excluded from the scope of the order are all mechanical, boiler, condenser and heat exchange tubing, except when such products conform to the dimensional requirements, i.e., outside diameter and wall thickness of ASTM A–53, ASTM A–106 or API 5L specifications.
