

of the new Sub-Adviser pursuant to the Modified Notice and Access Procedures.

5. At all times, at least a majority of the Board will be Independent Trustees, and the selection and nomination of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

6. Independent Legal Counsel, as defined in Rule 0–1(a)(6) under the Act, will be engaged to represent the Independent Trustees. The selection of such counsel will be within the discretion of the then-existing Independent Trustees.

7. Whenever a Sub-Adviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the profitability of the Adviser.

8. The Board must evaluate any material conflicts that may be present in a sub-advisory arrangement. Specifically, whenever a sub-adviser change is proposed for a Sub-Advised Fund (“Sub-Adviser Change”) or the Board considers an existing Sub-Advisory Agreement as part of its annual review process (“Sub-Adviser Review”):

(a) The Adviser will provide the Board, to the extent not already being provided pursuant to Section 15(c) of the Act, with all relevant information concerning:

(i) Any material interest in the proposed new Sub-Adviser, in the case of a Sub-Adviser Change, or the Sub-Adviser in the case of a Sub-Adviser Review, held directly or indirectly by the Adviser or a parent or sister company of the Adviser, and any material impact the proposed Sub-Advisory Agreement may have on that interest;

(ii) any arrangement or understanding in which the Adviser or any parent or sister company of the Adviser is a participant that (A) may have had a material effect on the proposed Sub-Adviser Change or Sub-Adviser Review, or (B) may be materially affected by the proposed Sub-Adviser Change or Sub-Adviser Review;

(iii) any material interest in a Sub-Adviser held directly or indirectly by an officer or Trustee of the Sub-Advised Fund, or an officer or board member of the Adviser (other than through a pooled investment vehicle not controlled by such person); and

(iv) any other information that may be relevant to the Board in evaluating any potential material conflicts of interest in the proposed Sub-Adviser Change or Sub-Adviser Review.

(b) the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the Board

minutes, that the Sub-Adviser Change or continuation after Sub-Adviser Review is in the best interests of the Sub-Advised Fund and its shareholders and, based on the information provided to the Board, does not involve a conflict of interest from which the Adviser, a Sub-Adviser, any officer or Trustee of the Sub-Advised Fund, or any officer or board member of the Adviser derives an inappropriate advantage.

9. Each Sub-Advised Fund will disclose in its registration statement the Aggregate Fee Disclosure.

10. In the event that the Commission adopts a rule under the Act providing substantially similar relief to that in the order requested in the application, the requested order will expire on the effective date of that rule.

11. Any new Sub-Advisory Agreement or any amendment to an existing Investment Advisory Agreement or Sub-Advisory Agreement that directly or indirectly results in an increase in the aggregate advisory fee rate payable by the Sub-Advised Fund will be submitted to the Sub-Advised Fund’s shareholders for approval.

For the Commission, by the Division of Investment Management, under delegated authority.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–92090; File No. SR–MIAX–2021–22]

Self-Regulatory Organizations; Miami International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Delay Implementation of an Amendment to Rule 518, Complex Orders, To Permit Legging Through the Simple Market

June 2, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on May 21, 2021, Miami International Securities Exchange, LLC (“MIAX Options” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposed rule change

pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to delay implementation of the change to allow a component of a complex order⁵ that legs into the Simple Order Book⁶ to execute at a price that is outside the NBBO.⁷

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings/> at MIAX Options’ principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

⁵ A “complex order” is any order involving the concurrent purchase and/or sale of two or more different options in the same underlying security (the “legs” or “components” of the complex order), for the same account, in a ratio that is equal to or greater than one-to-three (.333) and less than or equal to three-to-one (3.00) and for the purposes of executing a particular investment strategy. Mini-options may only be part of a complex order that includes other mini-options. Only those complex orders in the classes designated by the Exchange and communicated to Members via Regulatory Circular with no more than the applicable number of legs, as determined by the Exchange on a class-by-class basis and communicated to Members via Regulatory Circular, are eligible for processing. See Exchange Rule 518(a)(5).

⁶ The “Simple Order Book” is the Exchange’s regular electronic book of orders and quotes. See Exchange Rule 518(a)(15).

⁷ The term “NBBO” means the national best bid or offer as calculated by the Exchange based on market information received by the Exchange from the appropriate Securities Information Processor (“SIP”). See Exchange Rule 518(a)(14).

² 17 CFR 240.19b–4.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On October 22, 2019, the Exchange filed a proposed rule change to amend subsection (c)(2)(iii) of Exchange Rule 518, Complex Orders, to remove the provision which provides that a component of a complex order that legs into the Simple Order Book may not execute at a price that is outside the NBBO.⁸ The proposed rule change indicated that the Exchange would announce the implementation date of the proposed rule change by Regulatory Circular to be published no later than 90 days following the operative date of the proposed rule. The implementation date will be no later than 90 days following the issuance of the Regulatory Circular. The Exchange delayed the implementation of this functionality until the second quarter of 2021.⁹ The Exchange now proposes to delay the implementation of this functionality until the second quarter of 2022.

The Exchange proposes this delay in order to allow the Exchange to complete its reprioritization of its software delivery and release schedule as a result of a shift in priorities due to the impact the coronavirus pandemic has had on Exchange operations. The Exchange will issue a Regulatory Circular notifying market participants at least 45 days prior to implementing this functionality.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act¹⁰ in general, and furthers the objectives of Section 6(b)(5) of the Act¹¹ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in, securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest by allowing the

Exchange additional time to plan and implement the proposed functionality.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of the proposed functionality does not impose an undue burden on competition. Delaying the implementation will simply allow the Exchange additional time to properly plan and implement the proposed functionality.

The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition as the delay will apply equally to all Members of the Exchange.

The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition as the proposal is to delay the implementation of approved functionality which affects MIA X Members only and does not impact intermarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the

public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁴ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
