DATES: Comments on this ICR should be received no later than July 8, 2021.

ADDRESSES: Submit your comments, including the ICR Title, to the desk officer for HRSA, either by email to OIRA_submission@OMB.eop.gov or by fax to 202–395–5806.

FOR FURTHER INFORMATION CONTACT: To request a copy of the clearance requests submitted to OMB for review, email Lisa Wright-Solomon, the HRSA Information Collection Clearance Officer at paperwork@hrsa.gov or call (301) 443–1984.

SUPPLEMENTARY INFORMATION:

Abstract: HRSA is requesting approval by OMB for an extension of a previously approved collection of information (OMB control number 0915–0290). The National Survey of Organ Donation Attitudes and Practices is conducted approximately every 6–7 years and serves a critical role in providing HRSA and the donation community with data regarding why Americans choose to donate organs, current barriers to donation, and possible paths to increasing donations. Survey data and derived analytic insights help HRSA develop and target appropriate messages for public outreach and educational initiatives. A 60-day notice published in the Federal Register on April 19, 2021, vol. 86, No. 73; pp. 20374. There were no public comments.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for collecting, validating, verifying, processing and maintaining information, and disclosing and providing information; to train personnel and be able to respond to a collection of information; to search data sources; to complete and review the collection of information, and to transmit or otherwise disclose the information. A summary of the total annual burden hours estimated for this ICR is in the table below.
