Filing Claims Under the Federal Tort Claims Act—20 CFR 429.101–429.110—0960–0667. The Federal Tort Claims Act (FTCA) is the mechanism for compensating people who Federal employees injured through negligent or wrongful acts that occurred during the performance of those employees' official duties. SSA accepts claims filed under the FTCA for damages against the United States; loss of property; personal injury; or death resulting from an SSA employee's wrongful act or omission. The various types of claims included under this information collection request require claimants to provide information SSA can use to determine whether to make an award, compromise, or settlement under the FTCA. The respondents are individuals or entities making a claim under the FTCA.

Type of Request: Revision of an OMB-approved information collection.

*We are including a one-hour placeholder burden for 20 CFR 429.102 and 429.103, as respondents complete OMB-approved Form SF-95, OMB No. 1105-0008. Since the burden for these citations is covered under a separate OMB number, we are not double-counting the burden here.

** We based this figure on the average U.S. citizen's hourly salary, as reported by the U.S. Bureau of Labor Statistics (https://www.bls.gov/oes/current/oes_nat.htm#00-0000).

*** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*
