ENVIRONMENTAL PROTECTION AGENCY

[FRL–10022–63–OCFO]

Privacy Act of 1974; System of Records

AGENCY: Office of the Chief Financial Officer (OCFO), Environmental Protection Agency (EPA).

ACTION: Notice of a new system of records.

SUMMARY: The U.S. Environmental Protection Agency's (EPA), Office of the Chief Financial Officer, Office of Technology Solutions is giving notice that it proposes to create a new system of records pursuant to the provisions of the Privacy Act of 1974. The e-Recovery system of records (EPA–90) is being

created to replace the Superfund Cost Recovery Package Imaging and On-Line System (SCORPIOS) system of records (EPA–39). The e-Recovery system will be used to organize cost information and produce reports that summarize the costs for a specific Superfund Response or Oil Removal site, and will also be used to track Federal Emergency Management Agency (FEMA) mission assignment costs. The information previously stored in SCORPIOS will be stored in the e-Recovery system.

DATES: Persons wishing to comment on this system of records notice must do so by July 12, 2021. New routine uses for this new system of records will be effective July 12, 2021.

ADDRESSES: Submit your comments, identified by Docket ID No., EPA–HQ–OMS–2019–0649 by one of the following methods:

Regulations.gov: www.regulations.gov. Follow the online instructions for submitting comments.

Email: docket_oms@epa.gov. Include the Docket ID number in the subject line of the message.

Fax: 202–566–1752.

Mail: OMS Docket, Environmental Protection Agency, Mail Code: 2822T, 1200 Pennsylvania Ave. NW, Washington, DC 20460.

Hand Delivery: OMS Docket, EPA/DC, WJC West Building, Room 3334, 1301 Constitution Ave. NW, Washington, DC 20460. Such deliveries are only accepted during the Docket's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA–HQ–OMS–2019–0649. The EPA's policy is that all comments received will be included in the public docket without change and may be made available online at www.regulations.gov, including any personal information provided, unless the comment includes information claimed to be Controlled Unclassified Information (CUI) or other information for which disclosure is restricted by statute. Do not submit information that you consider to be CUI or otherwise protected through www.regulations.gov. The www.regulations.gov website is an "anonymous access" system for the EPA, which means the EPA will not know your identity or contact information. If you submit an electronic comment, the EPA recommends that you include your name and other contact information in the body of your comment. If the EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, the EPA may not be able to consider

your comment. If you send an email comment directly to the EPA without going through www.regulations.gov your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about the EPA public docket, visit the EPA Docket Center homepage at <https://www.epa.gov/dockets>.

Docket: All documents in the docket are listed in the www.regulations.gov index. Although listed in the index, some information is not publicly available, e.g., CUI or other information for which disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available either electronically in www.regulations.gov or in hard copy at the OMS Docket, EPA/DC, WJC West Building, Room 3334, 1301 Constitution Ave. NW, Washington, DC 20460. The Public Reading Room is normally open from 8:30 a.m. to 4:30 p.m., Monday through Friday excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the OMS Docket is (202) 566-1752.

Temporary Hours During COVID-19

Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room are closed to the public, with limited exceptions, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov> or email, as there may be a delay in processing mail and faxes. Hand deliveries and couriers may be received by scheduled appointment only. For further information on EPA Docket Center services and the current status, please visit us online at <https://www.epa.gov/dockets>.

FOR FURTHER INFORMATION CONTACT: Andrew Lam, Ronald Reagan Building, 1300 Pennsylvania Ave. NW, Washington, DC 20460, Office of Chief Financial Officer, (202) 564-2925, Lam.Andrew@epa.gov.

SUPPLEMENTARY INFORMATION: EPA has the authority to recover costs associated with its response to releases or threatened releases of hazardous substances, or discharges or threatened discharges of oil. EPA will use the e-

Recovery system to organize and produce reports detailing this cost information. To support the recovery of certain removal costs associated with threatened or actual discharges of oil, EPA submits a Cost Recovery Package (CRP) to the U.S. Coast Guard (USCG). Previously, EPA used SCORPIOS to prepare the CRP; however, because SCORPIOS uses old technology that has become difficult and expensive for the Agency to maintain, the SCORPIOS system will be replaced with the more modern e-Recovery system. SCORPIOS will be decommissioned once e-Recovery goes live.

SYSTEM NAME AND NUMBER:

e-Recovery, EPA-90.

SECURITY CLASSIFICATION:

Unclassified.

SYSTEM LOCATION:

109 T.W. Alexander Drive, NCC Building, Durham, NC 27711.

SYSTEM MANAGER(S):

Michael Clanton, Director, Office of Technology Solutions, (202) 564-1084, Clanton.Michael@epa.gov, Ronald Reagan Building, 1300 Pennsylvania Ave. NW, Washington, DC 20460.

CDW is a system that consolidates financial data from several enterprise systems, such as Compass, Integrated Grants Management System (IGMS), People Plus, EPA Acquisition System (EAS), and Payment Tracking System (PTS), into a single relational database. All of the data that resides in the CDW originates from the enterprise systems and is a duplicate of data from the original source.

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before August 10, 2021. If you anticipate that you will be submitting comments but find it difficult to do so within the period of

time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

Respondents: Business or other for profit, not-for-profit institutions, and State, local, or tribal government.

Number of Respondents and Responses: 50 respondents and 50 responses.

Estimated Time per Response: 1 hour.

Frequency of Response: Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection 47 U.S.C. 154, 303, 307(e), 309 and 332, unless noted.

Annual Cost Burden: No cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: The reporting requirement contained in section 80.302 is necessary to ensure that the U.S. Coast Guard is timely notified when a coast station, which is responsible for maintaining a listening watch on a designated marine distress and safety frequency discontinues, reduces or impairs its communications services.
