For purposes of the Fund, the term "claim" generally refers to a claim based on compensatory damages awarded to a United States person in a final judgment issued by a United States district court under State or Federal law against a foreign state that has been designated a state sponsor of terrorism and arising from acts of international terrorism. In general, a claim is determined eligible for payment from the Fund if the Special Master determines that the judgment holder (referred to as a "claimant") is a United States person, that the claim at issue meets the definition of claim above, and that the claim was submitted timely.
