We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on January 19, 2021 (86 FR 5142) during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Economic Impacts of Reef Diving and Snorkeling.

OMB Control Number: 0648–0765.

This survey will help to improve our understanding of divers' and snorkelers' expenditure patterns and to estimate the economic impact of coral reef related spending.
