Directive 4165.50E, “Homeowners Assistance Program (HAP)”, the Department of Defense (DoD) provides funds to financially compensate eligible military and civilian federal employee homeowners, and eligible homeowners who are surviving spouses of fallen warriors, when the real estate market is adversely affected in direct relation to an installation event. The ARRA expanded the HAP to: Wounded, members of the Armed Forces with a 30 percent or greater disability, surviving spouses of fallen warriors, and wounded DoD civilian homeowners reassigned in furtherance of medical treatment or rehabilitation or due to medical retirement in connection with their disability. DoD will also provide financial assistance to offset financial losses of homeowners who need to sell their homes in conjunction with installation events, combat injuries, or loss of spouse in the line of duty. Priority access to the funds goes to surviving spouses of those killed during deployment and those who were wounded, injured, or ill during deployment on or after September 11, 2001. The Under Secretary of Defense for Acquisition and Sustainment has overall responsibility and provides oversight for this program through the Deputy Assistant Secretary of Defense for Housing. The Army, acting as the DoD executive agent for administering the HAP, uses the Headquarters, U.S. Army Corps of Engineers (USACE) to implement the program. HAP applicants use DD Form 1607, “Application for Homeowner’s Assistance,” to apply for HAP benefits.

After it has been filled out, the form is then faxed, hand-carried, or—in rare cases—mailed to the district HAP office for processing. An action officer in the district HAP office processes the form to ensure all of the necessary information has been provided. If necessary, the applicant is provided with the appropriate instructions for the necessary supplemental information. When the case file is deemed complete by the action officer, it is provided to a counselor for approval or rejection recommendation based on program criteria related to economic impact, service requirements, the applicant’s homeowner status, the applicant’s primary residence status, and other assistance received by the homeowner. A formal response regarding eligibility or appeal status is provided to the applicant via mail.
