**I. Background**

On December 21, 2000, Congress passed the Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000 (BIPA) (Pub. L. 106–554). Section 531(b) of BIPA mandated that we establish procedures that permit public consultation for coding and payment determinations for new durable medical equipment (DME) under Medicare Part B of title XVIII of the Social Security Act (the Act). In the November 23, 2001 Federal Register (66 FR 58743), we published a notice providing information regarding the establishment of the public meeting process for DME. The procedures and public meetings announced in that notice for new DME were in response to the mandate of section 531(b) of BIPA.

As of 2020, we implemented changes to our HCPCS coding procedures that enable quarterly coding cycles for drugs and biological products, and bi-annual coding cycles for non-drug and non-biological items and services. To achieve the time savings necessary to implement coding for the vast majority of drugs and biological products on a quarterly cycle, as a general matter, we will not be conducting public meetings for coding decisions on drugs and biological products. For the 2021 coding cycles, for drug and biological code applicants who are dissatisfied with CMS’ coding decision in a quarterly coding cycle, we provide them an opportunity to resubmit their application in a subsequent quarterly cycle.

**II. Virtual Meeting Registration**

Due to the “Notice of the Continuation of the National Emergency Concerning the Coronavirus Disease 2019 (COVID–19) Pandemic”1 issued on February 24, 2021 there will not be an in-person meeting. The July 7 through July 9, 2021 HCPCS public meetings will be virtual and available for remote audio attendance and participation only via Zoom.

**A. Required Information for Registration**

The following information must be provided when registering online to attend:

- Name.
- Company name and address.
- Direct-dial telephone.
- Email address.
- Any special accommodation requests.

A CMS staff member will confirm your registration by email.

**B. Registration Process**

1. **Primary Speakers**

Individuals must also indicate whether they are the “primary speaker” for an agenda item. Primary speakers must be designated by the entity that submitted the HCPCS coding request. When registering, primary speakers must provide a brief written statement regarding the nature of the information they intend to provide and regarding any needs for audio/visual support and email it to HCPCS Level II Code Applications@cms.hhs.gov. Speaker PowerPoint files are tested and arranged in speaker sequence well in advance of the meeting. We will accept emailed PowerPoint files that are received by the deadline for submissions of presentation materials as specified in the DATES section of this notice. Materials will only be accepted when emailed to HCPCS Level II Code Applications@cms.hhs.gov. Due to the timeframe for planning and coordination of the HCPCS public meetings under CMS’ shorter and more frequent coding cycles that started in 2020, late submissions and updates of materials after our deadline cannot be accommodated.

All presentation materials and additional supporting documentation should not exceed 10 pages (each side of a page counts as 1 page). An exception will be made to the 10-page limit for presentation materials in a subsequent quarterly cycle.

limit only for relevant studies newly published between the application deadline and the virtual public meeting date, in which case, we request a copy of the complete publication be emailed as soon as possible to HCPCS_Level_II_Code_Applications@cms.hhs.gov. This exception applies only to the page limit and not the submission deadline.

Fifteen minutes is the total time interval for the presentation. In establishing the public meeting agenda, we may group multiple, related requests under the same agenda item. In that case, we will decide whether additional time will be allotted, and may opt to increase the amount of time allotted to the primary speaker.

Every primary speaker must declare at the beginning of their presentation at the meeting, as well as in their written summary, whether they have any financial involvement with the manufacturers or competitors of any items being discussed; this includes any payment, salary, remuneration, or benefit provided to that speaker by the manufacturer or the manufacturer’s representatives.

On the day of the virtual meeting, before the end of the meeting, all primary speakers must email a brief written summary of their comments and conclusions to HCPCS_Level_II_Code_Applications@cms.hhs.gov.

2. 5-Minute Speakers

The deadline for registering to be a 5-minute speaker is noted in the DATES section of this notice. Individuals must provide their name, company name and address, and contact information as specified in the instructions for remote participation, and identify the specific agenda item that they will address. Based on the number of items on the agenda and the progress of the meeting, a determination will be made by the meeting coordinator and the meeting moderator regarding how many 5-minute speakers can be accommodated and whether the 5-minute allocation would be reduced to accommodate the number of speakers.

Every 5-minute speaker must declare at the beginning of their presentation at the meeting, as well as in their written summary, whether they have any financial involvement with the manufacturers or competitors of any items being discussed; this includes any payment, salary, remuneration, or benefit provided to that speaker by the manufacturer or the manufacturer’s representatives.

On the day of the virtual meeting, before the end of the meeting, all 5-minute speakers must email a brief written summary of their comments and conclusions to HCPCS_Level_II_Code_Applications@cms.hhs.gov.

C. Additional Virtual Meeting/Registration Information

Prior to registering to attend a virtual public meeting, all participants are advised to review the public meeting agendas at https://www.cms.gov/Medicare/Coding/MedHPCSGenInfo/HCPCSPublicMeetings which identify our preliminary coding recommendations, and the dates each item will be discussed. All participants and other stakeholders are encouraged to regularly check CMS’ official HCPCS website at https://www.cms.gov/Medicare/Coding/MedHPCSGenInfo/HCPCSPublicMeetings for publication of draft agendas, including a summary of each request and our preliminary recommendations.

CMS’ official HCPCS website will include additional details regarding the public meeting process for new revisions to the HCPCS code set, including information on how to join the meeting remotely, and guidelines for an effective presentation. Individuals who intend to provide a presentation at a virtual public meeting are encouraged to familiarize themselves with the HCPCS website and the valuable information it provides to prospective registrants. The HCPCS website also contains a document titled “Healthcare Common Procedure Coding System (HCPCS) Level II Coding Procedures,” which is a description of the HCPCS coding process, including a detailed explanation of the procedures CMS uses to make coding determinations for the items and services that are coded in the HCPCS.

III. Written Comments From Meeting Attendees

As part of CMS’ response to the COVID-19 PHE, written comments from the general public and meeting registrants will only be accepted when emailed to HCPCS_Level_II_Code_Applications@cms.hhs.gov before 5 p.m., e.d.t., on the date of the virtual public meeting at which a request is discussed.

The Administrator of the Centers for Medicare & Medicaid Services (CMS), Chiquita Brooks-LaSure, having reviewed and approved this document, authorizes Lynette Wilson, who is the Federal Register Liaison, to electronically sign this document for purposes of publication in the Federal Register.
