**SECURITIES AND EXCHANGE COMMISSION**

**Self-Regulatory Organizations; Cboe BZX Exchange, Inc. Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To List and Trade Shares of the Kryptoin Bitcoin ETF Trust Under BZX Rule 14.11(e)(4), Commodity-Based Trust Shares**

June 9, 2021.

On April 9, 2021, Cboe BZX Exchange, Inc. (“BZX”) filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act") 1 and Rule 19 b–4 thereunder, 2 a proposed rule change to list and trade shares of the Kryptoin Bitcoin ETF Trust under BZX Rule 14.11(e)(4), Commodity-Based Trust Shares. The proposed rule change was published for comment in the Federal Register on April 28, 2021.3 The Commission has received comments on the proposed rule change.4

Section 19(b)(2) of the Act 5 provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is June 12, 2021. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed rule change and the comments received. Accordingly, pursuant to Section 19(b)(2) of the Act,6 the Commission designates July 27, 2021, as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–CboeBZX–2021–029).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority. 7

J. Matthew DeLesDernier, Assistant Secretary.

3 See letter from Brett M. Kitt, Principal Associate General Counsel, Nasdaq Inc., to J. Matthew DeLesDernier, Assistant Secretary, Commission, dated April 22, 2021 (“Exemptive Request”).
8 15 U.S.C. 78s(b)(3)(A)(iii) of the Exchange Act, and thereby became effective upon filing with the Commission, the Exchanges stipulated in their proposals that the incorporation by reference would not be operative until such time as the Commission grants this Exemptive Request.
Exchange Act to replace its existing membership rules, as set forth in General 3 of their respective rulebooks, with the Rule 1000 Series of the Nasdaq rulebook, as such rules may be in effect from time to time. Namely, in the proposed rule changes, the Exchanges each proposed to incorporate by reference the Nasdaq Rule 1000 Series such that Nasdaq Rule 1000 Series would be applicable to each of the Exchanges’ respective applicants, members, associated persons, and other persons subject to the Exchanges’ jurisdiction as though such rules were fully set forth within each of the Exchanges’ rulebooks.6

The Exchanges have requested, pursuant to Rule 0–12 under the Exchange Act,7 that the Commission grant the Exchanges an exemption from the rule filing requirements of Section 19(b) of the Exchange Act for changes to each of the Exchanges’ rules that are incorporated by reference. Specifically, the Exchanges request that they be permitted to incorporate by reference changes made to the Nasdaq Rule 1000 Series that are cross-referenced in each of the Exchanges’ rules without the need for each of the Exchanges to file separately the same proposed rule change pursuant to Section 19(b) of the Exchange Act.8

The Exchanges represent that the Nasdaq Rule 1000 Series are not trading rules.9 Moreover, the Exchanges state that in each instance, they propose to incorporate by reference a category of rules (rather than individual rules within a category).10 The Exchanges also represent that, as a condition of this exemption, the Exchanges will provide written notice to their respective applicants and members whenever Nasdaq proposes a change to Nasdaq Rule 1000 Series.11

According to the Exchanges, this exemption is necessary and appropriate because it will result in the Exchanges’ membership rules and processes being consistent with the relevant cross-referenced Nasdaq membership rules and processes at all times.12 The Exchanges states that harmonization of the membership rules and processes between the Exchanges and Nasdaq will ease compliance burdens for those seeking membership on the three exchanges and increase internal efficiencies associated with administering the membership rules and processes of each exchange.13

The Commission has issued exemptions similar to the Exchanges’ request.14 In granting similar exemptions, the Commission stated that it would consider future exemption requests, provided that:

- A self-regulatory organization (“SRO”) wishing to incorporate rules of another SRO by reference has submitted a written request for an order exempting it from the requirement in Section 19(b) of the Exchange Act to file proposed rule changes relating to the rules incorporated by reference, has identified the applicable originating SRO(s), together with the rules it wants to incorporate by reference, and otherwise has complied with the procedural requirements set forth in the Commission’s release governing procedures for requesting exemptive orders pursuant to Rule 0–12 under the Exchange Act;15

- The incorporating SRO has requested incorporation of categories of rules (rather than individual rules within a category) that are not trading rules (e.g., the SRO has requested incorporation of rules such as margin, suitability, or arbitration); and

- The incorporating SRO has reasonable procedures in place to provide written notice to its members each time a change is proposed to the incorporated rules of another SRO.16

The Commission believes that the Exchanges have satisfied each of these conditions. Further, the Commission also believes that granting the Exchanges an exemption from the rule filing requirements under Section 19(b) of the Exchange Act would promote efficient use of the Commission’s and the Exchanges’ resources by avoiding duplicative rule filings based on simultaneous changes to identical rule text sought by more than one SRO.17

The Commission therefore finds it appropriate in the public interest and consistent with the protection of investors to exempt the Exchanges from the rule filing requirements under Section 19(b) of the Exchange Act with respect to the above-described rules it incorporates by reference. This exemption is conditioned upon the Exchanges promptly providing written notice to their applicants and members whenever Nasdaq changes a rule that the Exchanges incorporate by reference. Accordingly, it is ordered, pursuant to Section 36 of the Exchange Act, that the Exchanges are exempt from the rule filing requirements of Section 19(b) of the Exchange Act solely with respect to changes to the rules identified in the Exemptive Request, provided that the Exchanges promptly provide written notice to their applicants and members whenever Nasdaq proposes to change a rule that the Exchanges have incorporated by reference.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.18

J. Matthew DeLesDernier,
Assistant Secretary.
