DEPARTMENT OF JUSTICE**Notice of Lodging of Proposed Consent Decree Under the Clean Water Act**

On June 9, 2021, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Massachusetts in the lawsuit entitled *United States of America v. City of Quincy, Massachusetts*, Civil Action No. 1:19–cv–10483–RGS.

The United States filed a Complaint against the City of Quincy, Massachusetts (“City”) on March 14, 2019, alleging violations of the Clean Water Act. The Complaint alleged that sewage in the City’s sanitary sewer system had leaked from the sanitary system and entered the separate storm sewer system, ultimately discharging with storm water into Quincy Bay and other receiving waters. The Complaint also alleged that the City’s sanitary sewer system had overflowed on numerous occasions, resulting in discharges of sewage. The Consent Decree calls for the City to implement a comprehensive and integrated program to investigate, repair, and rehabilitate its stormwater and sanitary sewer systems, with all investigations and remedial work completed by December 31, 2034. The City will also pay a \$115,000 penalty.
