Coast Guard

33 CFR Part 165

[Docket Number USCG–2021–0419]

RIN 1625–AA00

Safety Zone: Charlevoix Venetian Festival Air Show, Lake Charlevoix, MI, Sector Sault Ste. Marie Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the Sault Ste. Marie Captain of the Port zone. This safety zone is intended to restrict vessels from certain portions of Lake Charlevoix, MI during air show activities. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the air show. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sault Ste. Marie.

DATES: This rule is effective from 9:45 p.m. on July 23, 2021 through 10 p.m. on July 23, 2021.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to https://www.regulations.gov, type USCG–2021–0419 in the “SEARCH” box and click “SEARCH.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LT Deaven Palenzuela, Sector Detroit or a designated representative. Vessels that wish to transit through the safety zones may request permission from the Coast Guard or their designated representative. Requests must be made in advance and approved by the Coast Guard before transits will be authorized. Approvals will be granted on a case by case basis. The Coast Guard will give notice to the public via Local Notice to Mariners and VHF radio broadcasts that the rule is in effect.

This document is issued under authority of 33 CFR 165.941, Table 1, and 5 U.S.C. 552(a). If the Captain of the Port of Detroit determines that any of these safety zones need not be enforced for the full duration stated in this document, he may suspend such enforcement and notify the public of the suspension via a Broadcast Notice to Mariners.

Dated: June 14, 2021.

Brad W. Kelly,
Commander, U.S. Coast Guard, Captain of the Port Detroit.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. For the same reasons as discussed in the preceding paragraph, a 30 day notice period would be impracticable and contrary to the public interest. It is impracticable to publish an NPRM because we must establish this safety zone by 9:45 p.m. on July 23, 2021 to protect the public from the hazards associated with the air show.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Federal Aviation Administration regulates air shows. This action is only for the safety zone. The Captain of the Port Sault Ste. Marie (COTP) has determined that potential hazards associated with the air show (i.e. noise levels and possible crashing of the aircraft(s)) will be a safety concern for anyone within Lake Charlevoix waters encompassed by a line connecting the following points beginning at 45°19′16″ N, 085°14′22″ W; thence to 45°19′11″ N, 085°13′49″ W; thence to 45°18′39″ N, 085°13′59″ W; thence to 45°18′45″ N, 085°14′33″ W; and back to the beginning point. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the air show.

IV. Discussion of the Rule

This rule is necessary to ensure the safety of vessels during the aforementioned air show. The temporary safety zone will encompass all U.S. navigable waters of Lake Charlevoix bounded by a line drawn from 45°19′16″ N, 085°14′22″ W; thence to 45°19′11″ N, 085°13′49″ W; thence to 45°18′39″ N, 085°13′59″ W; thence to 45°18′45″ N, 085°14′33″ W; and back to the beginning point of origin. The safety zone will be enforced from 9:45 p.m. to 10 p.m. on July 23, 2021. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sault Sainte Marie, or a designated on-scene representative. The Captain of the Port or a designated on-scene representative may be contacted via VHF Channel 16 or telephone at 906–635–3233.

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses.

We developed this rule after considering numerous statutes and Executive orders related to rulemaking.
based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the conclusion that this rule is not a significant regulatory action because we anticipate that will have minimal impact on the economy, will not interfere with other agencies, will not adversely affect the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule is confined to area encompassing air show area over water and will be enforced only for the duration of the air show. Under certain conditions, moreover, vessels may still transit through the safety zones when permitted by the Captain of the Port.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the FOR FURTHER INFORMATION CONTACT section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small businesses. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not cause such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishment of a safety zone lasting less than 15 minutes during the air show activities. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1, A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protestors. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

RIN 2040–ZA35
State of Michigan Underground Injection Control (UIC) Class II Program; Primacy Approval

AGENCY: Environmental Protection Agency (EPA).

ACTION: Withdrawal of direct final rule.

SUMMARY: Because the U.S. Environmental Protection Agency (EPA) received adverse comments, the agency is withdrawing the direct final rule for State of Michigan Underground Injection Control (UIC) Class II Program; Primacy Approval, published on March 19, 2021.

DATES: As of June 17, 2021, EPA withdraws the direct final rule published at 86 FR 14846, on March 19, 2021.

FOR FURTHER INFORMATION CONTACT: Kyle Carey, Drinking Water Protection Division, Office of Ground Water and Drinking Water (4606M), U.S. Environmental Protection Agency, 1200 Pennsylvania Ave. NW, Washington, DC 20460; telephone number: (202) 564–2322; fax number: (202) 564–3754; email address: carey.kyle@epa.gov, or Anna Miller, UIC Section, U.S. Environmental Protection Agency, 77 West Jackson Boulevard, Chicago, IL 60604; telephone number: (312) 866–7060; email address: miller.anna@epa.gov.

SUPPLEMENTARY INFORMATION: Because the U.S. Environmental Protection Agency (EPA) received adverse comment, the agency is withdrawing the direct final rule for State of Michigan Underground Injection Control (UIC) Class II Program; Primacy Approval, published on March 19, 2021. EPA stated in that direct final rule that if the agency received adverse comments by April 19, 2021, the direct final rule would not take effect and we would publish a timely withdrawal in the Federal Register. EPA subsequently received adverse comments on that direct final rule. EPA will address those comments in any subsequent final action, which will be based on the parallel proposed rule also published on March 19, 2021. As stated in the direct final rule and the parallel proposed rule, EPA will not institute a second comment period on this action.

Michael S. Regan, Administrator.
