Abstract: This is a request for an extension without change for the 1810–0727 College Assistance Migrant Program (CAMP) Annual Performance Report collection. The Office of Migrant Education (OME) is collecting information for the CAMP which is authorized under Title IV, Section 418A of the Higher Education Act of 1965, as amended by Section 408 of the Higher Education Opportunity Act (HEOA)(20 U.S.C. 1070d–2) (special programs for students whose families are engaged in migrant and seasonal farmwork) and 2 CFR 200.328 which requires that recipients of discretionary grants submit an Annual Performance Report (APR) to best inform improvements in program outcomes and productivity.

Although the Education Department continues to use the generic 524B, OME is requesting to continue the use of a customized APR that goes beyond the generic 524B APR to facilitate the collection of more standardized and comprehensive data to inform Government Performance Results Act (GPRA) indicators, to improve the overall quality of data collected, and to increase the quality of data that can be used to inform policy decisions.

Subject: Early Implementation of the FAFSA Simplification Act’s Removal of Selective Service and Drug Conviction Requirements for Title IV Eligibility.

Summary: This letter provides information about the early implementation of the FAFSA Simplification Act’s removal of Selective Service and drug conviction requirements for Title IV eligibility, as well as actions that institutions must take as these changes are implemented in phases across award years 2021–2022, 2022–2023, and 2023–2024. Certain other aspects of the law being implemented are discussed in separate communications.

Dear Colleague:

On December 27, 2020, the FAFSA Simplification Act (Act) was enacted into law as part of the Consolidated Appropriations Act, 2021. The Act makes many important changes to the Higher Education Act of 1965 (HEA) and the Free Application for Federal Student Aid (FAFSA®). Two changes referred to by this DCL include amending Sec. 484 of the HEA to remove:

• The requirement that male students register with the Selective Service before the age of 26 to be eligible for federal student aid under Title IV of the HEA (Title IV); and

• Suspension of eligibility for Title IV aid for drug-related convictions that occurred while receiving Title IV aid.

Under the Act, the Department of Education (Department) may implement these changes by providing 60 days’ notice in the Federal Register. The Secretary is issuing this notice in the coming days. Institutions may implement the changes as early as the date the Federal Register notice publishes. They must implement the changes no later than 60 days after the date of the Federal Register notice (implementation date). To make Title IV aid accessible to as many students as soon as possible, the Department of Education (Department) will implement these changes in three phases across three award years: The 2021–2022, 2022–2023, and 2023–2024 award years.

Other than statutory and regulatory requirements included in the document, the contents of this guidance do not have the force and effect of law and are not meant to bind the public. This document is intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

2021–2022 Award Year

For the 2021–2022 award year, for which the FAFSA cycle has already begun, the Selective Service and drug conviction questions (as well as the option to register with the Selective Service via the FAFSA) will remain on the FAFSA. However, failing to register with the Selective Service or
