

we propose to authorize take for endangered or threatened species.

The only species listed under the ESA with the potential to be present in the action area are the Mexico Distinct Population Segment (DPS) and Central America DPS of humpback whales. The effects of this Federal action were adequately analyzed in NMFS' Biological Opinion for the Seattle Multimodal Project at Colman Dock, Seattle, Washington, dated October 1, 2018, which concluded that issuance of an IHA would not jeopardize the continued existence of any endangered or threatened species or destroy or adversely modify any designated critical habitat.

#### Proposed Renewal IHA and Request for Public Comment

As a result of these preliminary determinations, NMFS proposes to issue a Renewal IHA to WSDOT to conduct the Seattle Multimodal Project at Colman Dock Year 4 in Washington State, between August 1, 2021 and July 31, 2022, provided the previously described mitigation, monitoring, and reporting requirements are incorporated. A draft of the proposed and final initial IHA can be found at <https://www.fisheries.noaa.gov/permit/incidental-take-authorizations-under-marine-mammal-protection-act>. We request comment on our analyses, the proposed Renewal IHA, and any other aspect of this Notice. Please include with your comments any supporting data or literature citations to help inform our final decision on the request for MMPA authorization.

Dated: June 17, 2021.

DFARS 236.570(a) prescribes use of the clause at DFARS 252.236–7000, Modification Proposals—Price Breakdown, in all fixed-price construction solicitations and contracts. The clause requires the contractor to submit a price breakdown with any proposal for a contract modification.

DFARS 236.570(c) prescribes use of the following provisions in solicitations for military construction contracts that are funded with military construction appropriations and are estimated to exceed \$1,000,000:

(1) The provision at DFARS 252.236–7010, Overseas Military Construction—Preference for United States Firms, when contract performance will be in a United States outlying area in the Pacific or in a country bordering the Arabian Gulf, requires an offeror to specify whether, or not, it is a United States firm.

(2) The provision at DFARS 252.236–7012, Military Construction on Kwajalein Atoll—Evaluation Preference, when contract performance will be on Kwajalein Atoll, requires an offeror to specify whether it is a United States firm, or on Kwajalein Atoll, status as a Marshallese firm.
