

for OASDI includes Section 224 of the Act (42 U.S.C. 424a), which provides for the reduction of Social Security disability benefits when the disabled worker is also entitled to a Public Disability Benefit (PDB). Also, Section 215a(7)(A) of the Act (42 U.S.C. 415) requires a modification to the computation formula reducing the Primary Insurance Amount of a retired and disabled worker entitled to a pension from employment not covered under Social Security. Section 202k(5)(A) (42 U.S.C. 402) provides for the reduction of spouse's and survivor's benefits by a percentage of a pension received based on work not covered by Social Security.

Section 1631(f) of the Act (42 U.S.C. 1383(f)) requires Federal agencies to furnish SSA with information necessary to verify eligibility. Section 224(h)(1) of the Act (42 U.S.C. 424a(h)(1)) requires any Federal agency to provide SSA with information in its possession that SSA may require for the purposes of making a timely determination of the amount of reduction under section 224 of the Act (42 U.S.C. 424a).

Purpose(s)

This agreement sets forth the terms, conditions, and safeguards under which OPM will disclose civil service benefit and payment data to SSA. SSA is legally required to offset specific benefits by a percentage of civil service benefits received (Spousal and Survivors benefits, SSI benefits, and Retirement and Disability Insurance Benefits are offset by a percentage of the recipients' Federal Government pension benefits). SSA administers the OASDI, SSI, and SVB programs. SSA will use the match results under this agreement to meet its civil service benefit offset obligations. Appendices A, B, C, and D of this agreement contain specific information on the matching programs that SSA will conduct under this agreement. SSA's OCA will also use OPM's data for statistical and research purposes in tracking the size of, and impact on, subpopulations of government annuitants affected by the GPO, the WEP, and in cost estimates of proposals to change the two provisions.

Categories of Individuals

The individuals whose information is involved in this matching program are those individuals who are receiving civil service benefits and payments, and either Spousal and Survivors benefits, SSI or SVB benefits, or Retirement and Disability Insurance benefits.

Categories of Records

OPM will provide SSA with an electronic file containing civil service benefit and payment data from the annuity and survivor master file. Each month, OPM will provide SSA with an electronic file that will include updated payment information for new civil service annuitants and annuitants whose civil service annuity has changed. This monthly file contains approximately 25,000 records. OPM will provide SSA with the entire master annuity file of approximately 2.7 million records once yearly for the month of the civil service cost-of-living allowance. OPM will furnish SSA with the following civil service benefit and payment data: Payment status code; prefix; name; Social Security number (SSN); Social Security verification code; date of birth; award date; civil service claim number; first potential month and year of eligibility; date of eligibility indicator; first month, day, and year of entitlement; disability indicator; Federal Insurance Contributions Act covered months indicator; total service months; amount of current gross civil service benefits; effective date (month, day, and year) of civil service amount; SSNs for disabled children; retroactive payments; date of death; payments that are currently coded 'special pay'; OPM code that indicates OPM used pre-1957 military service in the benefit computations; actual military service dates that OPM used in computing the OPM pension amount; OPM code for voluntary contributions; amount of the pension from voluntary contributions; months of employment after 1956 not covered by Social Security that are used to determine the pension; period of employment upon which pension is based; and Federal Employees Retirement System transfer case data.

SSA will attempt to verify the SSNs furnished by OPM using the SSA Enumeration System database and the individuals' name, date of birth, and SSN. SSA will only use verified SSNs in the matches with its systems of records (SOR). SSA will match the SSN-verified OPM data against the Supplemental Security Record or Master Beneficiary Record to identify: SSI/SVB recipients who are also receiving a civil service pension; individuals who may be subject to PDB offset; and beneficiaries subject to a Federal pension offset.

System(s) of Records

OPM will provide SSA with electronic files from the OPM SOR published as OPM/Central-1 (Civil Service Retirement and Insurance

Records) at 73 FR 15013 (March 20, 2008), as amended at 80 FR 74815 (November 30, 2015). SSA will conduct the match using the individual's SSN, name, and date of birth on both the OPM file and SSA's databases covered under the following SSA SORs: The Master Files of Social Security Number (SSN) Holders and SSN Applications (Enumeration System), 60-0058, as published at 75 FR 82121 (December 29, 2010), as amended at 78 FR 40542 (July 5, 2013), 79 FR 8780 (February 13, 2014), 83 FR 31250-31251 (July 3, 2018), and 83 FR 54969 (November 1, 2018); the Master Beneficiary Record (MBR), 60-0090, as published at 71 FR 1826 (January 11, 2006), as amended at 72 FR 69723 (December 10, 2007), 78 FR 40542 (July 5, 2013), 83 FR 31250-31251 (July 3, 2018), and 83 FR 54969 (November 1, 2018); and the Supplemental Security Income Record and Special Veterans Benefits (SSR/SVB), 60-0103, as published at 71 FR 1830 (January 11, 2006), as amended at 72 FR 69723 (December 10, 2007), 83 FR 31250-31251 (July 3, 2018), and 83 FR 54969 (November 1, 2018).

II. Background

Under 49 U.S.C. 31136(e) and 31315(b), FMCSA may grant an exemption from the FMCSRs for no longer than a 5-year period if it finds such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. The statute also allows the Agency to renew exemptions at the end of the 5-year period. FMCSA grants medical exemptions from the FMCSRs for a 2-year period to align with the maximum duration of a driver's medical certification.

The 18 individuals listed in this notice have requested an exemption from the hearing requirement in 49 CFR 391.41(b)(11). Accordingly, the Agency will evaluate the qualifications of each applicant to determine whether granting the exemption will achieve the required level of safety mandated by statute.

The physical qualification standard for drivers regarding hearing found in § 391.41(b)(11) states that a person is physically qualified to drive a CMV if that person first perceives a forced whispered voice in the better ear at not less than 5 feet with or without the use of a hearing aid or, if tested by use of an audiometric device, does not have an average hearing loss in the better ear greater than 40 decibels at 500 Hz, 1,000 Hz, and 2,000 Hz with or without a
