**Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Household Pulse Survey**

On March 18, 2021, the Department of Commerce received clearance from the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 to conduct Phase 3.1 of the Household Pulse Survey (OMB No. 0607-1013, Exp. 10/31/23). The Household Pulse Survey was designed to meet a need for

timely information associated with household experiences during the Covid-19 pandemic.

The Department is committed to ensuring that the data collected by the Household Pulse Survey continue to meet information needs as they may evolve over the course of the pandemic. This notice serves to inform of the Department's intent to submit an emergency clearance request to OMB to make some revisions to the Household Pulse Survey questionnaire. To ensure public burden is not increased, the revisions would reflect the removal of questions for which utility has declined over time, and the addition of topics based on public comment previously received and in consult with other Federal agencies. Removals include questions on Unemployment Insurance applications; Social Security Administration program receipt and application; Reasons for changed spending; Ride sharing/transit use; trips over 100 miles; Spending on groceries and prepared foods; Delayed and Forgone medical care; Child care; and K-12 computer use and internet access. Additionally, post-secondary education items will be held until closer to the fall terms. New questions focus on the Child Tax Credit; sexual orientation and gender identity (SOGI); rent/mortgage arrears; utility arrears and restrictions; summer catchup education activities for K-12; preventive health care for children; and application for Medicaid or exchange coverage. It is the Department's intention to commence data collection using the revised instrument on or about July 21, 2021. The Department invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously sought on the Household Pulse Survey via the **Federal Register** on May 19, 2020, June 3, 2020, February 1, 2021, and again on April 13, 2021. This notice allows for an additional 30 days for public comments on the proposed revisions.
