

rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.²⁰

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of shrimp from Thailand entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporter listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit

rate for all other manufacturers or exporters will continue to be 5.34 percent, the all-others rate made effective by the *Section 129 Determination*.²¹ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: June 21, 2021.

SUPPLEMENTARY INFORMATION:

Background

On April 8, 2020, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on large residential washers from Mexico, for one company, Electrolux Home Products Corp. N.V. and Electrolux Home Products de Mexico, S.A. de C.V. (collectively, Electrolux).¹ The period of review (POR) is February 1, 2019, through January 31, 2020. On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.² On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.³ In January 2021, we extended the preliminary results of this review to no later than June 18, 2021.⁴ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵

⁴ See Memorandum, "Extension of the Deadline for Preliminary Results of the 2019-2020 Antidumping Duty Administrative Review," dated January 26, 2021. However, on June 17, 2021, the President signed into law the Juneteenth National Independence Day Act, making June 19 a Federal holiday. See Juneteenth National Independence Day Act, S. 475, Public Law 117-17 (2021). Because the Federal holiday fell on a Saturday, it was observed on Friday, June 18, 2021. Where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for these preliminary results is on June 21, 2021.

⁵ See Memorandum, "Decision Memorandum for the Preliminary Results of the 2019-2020 Administrative Review of the Antidumping Duty Order on Large Residential Washers from Mexico," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Scope of the Order

The products covered by the order are all large residential washers and certain subassemblies thereof from Mexico.⁶ The products are currently classifiable under subheadings 8450.20.0040 and 8450.20.0080 of the Harmonized Tariff System of the United States (HTSUS). Products subject to this order may also enter under HTSUS subheadings 8450.11.0040, 8450.11.0080, 8450.90.2000, and 8450.90.6000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed at <https://enforcement.trade.gov/frn/summary/mexico/mexico-fr.htm>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Results of the Review

We preliminarily determine that the following weighted-average dumping margin exists for the period February 1, 2019, through January 31, 2020:

| Exporter/producer | Weighted-average margin |
|---|-------------------------|
| Electrolux Home Products Corp. N.V. and Electrolux Home Products de Mexico, S.A. de C.V. | 2.17 |

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess,

antidumping duties on all appropriate entries.⁷

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁸

We intend to issue instructions to CBP 41 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Electrolux will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the rate established for the most recent segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 36.52 percent, the all-others rate established in the LTFV investigation.⁹ These deposit requirements, when imposed, shall remain in effect until further notice.

⁷ See 19 CFR 351.212(b).

Background

This administrative review is being conducted in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Preliminary Determination of No Shipments

Based on our analysis of U.S. Customs and Border Protection (CBP) information, and the no shipment certifications submitted by Beijing Pacific Activated Carbon Products Co., Ltd., Jilin Bright Future Chemicals Co., Ltd., Shanxi Dapu International Trade Co., Ltd., Shanxi Industry Technology Trading Co., Ltd., Shanxi Tianxi Purification Filter Co., Ltd., and Tianjin Channel Filters Co., Ltd., Commerce preliminarily determines that these companies had no shipments of subject merchandise during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum.

Consistent with our practice in non-market economy (NME) cases, we are not rescinding this review but instead intend to complete the review with respect to these six companies for which we have preliminarily found no shipments and issue appropriate instructions to CBP based on the final results of the review.⁷

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. We calculated export prices and constructed export prices in accordance with section 772 of the Act. Because China is an NME country within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.
