Emergency Request for Approval of an Information Collection for Office of Polar Programs (OPP) United States Antarctic Program (USAP) Sexual Assault and Harassment Prevention and Response (SAHPR) Data Collection Plan
AGENCY: National Science Foundation.
ACTION: Notice and request for comments.
SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the National Science Foundation (NSF) is providing notice that it will submit an information collection request (ICR) to the Office of Management and Budget (OMB) for emergency approval of a proposed information collection. NSF requests that OMB authorize the collection of information on or before 09 July 2021, for 180 days after the date of approval by OMB. Upon receiving the requested six-month emergency approval by OMB, NSF will follow the normal PRA procedures to obtain extended approval for this proposed information collection. The purpose of this collection is to gather data to support the SAHPR Needs Assessment, Implementation Plan and Training Material for the USAP. NSF is requesting emergency approval for this collection to maintain the SAHPR Program Implementation timeline, begin to implement recommendations before the 2021/2022 austral summer, and
