**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**DATES:** June 23, 2021.

**FOR FURTHER INFORMATION CONTACT:** Julie Duffy ((202) 708–2579), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. **SUPPLEMENTARY INFORMATION:** Effective December 3, 2020, the Commission established a general schedule for the conduct of the final phase of its

investigations on standard steel welded wire mesh (“wire mesh”) from Mexico (85 FR 81487, December 16, 2020), following a preliminary determination by the U.S. Department of Commerce (“Commerce”) that imports of subject wire mesh from Mexico were being subsidized by the government of Mexico (85 FR 78124, December 3, 2020). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on December 16, 2020 (85 FR 81487). In light of the restrictions on access to the Commission building due to the COVID–19 pandemic, the Commission conducted its hearing through written testimony and video conference on February 12, 2021. All persons who requested the opportunity were permitted to participate. The Commission subsequently issued its final determination that an industry in the United States was materially injured by reason of imports of wire mesh from Mexico provided for in subheadings 7314.20.00 and 7314.39.00 of the Harmonized Tariff Schedule of the United States (“HTSUS”) that have been found by Commerce to be subsidized by the government of Mexico (86 FR 18555, April 9, 2021).

Commerce has issued a final affirmative antidumping duty determination with respect to wire mesh from Mexico (86 FR 32891, June 23, 2021). Accordingly, the Commission currently is issuing a supplemental schedule for its antidumping duty investigation on imports of wire mesh from Mexico.

This supplemental schedule is as follows: The deadline for filing supplemental party comments on Commerce’s final antidumping duty determination is July 2, 2021. Supplemental party comments may address only Commerce’s final antidumping duty determination regarding imports of wire mesh from Mexico. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of the Commission’s antidumping duty investigation covering subject imports from Mexico will be placed in the nonpublic record on July 8, 2021, and a public version will be issued thereafter.

For further information concerning this proceeding see the Commission’s notice cited above and the

Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission’s rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission’s rules, each document filed by a party to the antidumping duty and countervailing duty investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** This proceeding is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission’s rules.

By order of the Commission.

Issued: June 25, 2021.

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731–TA–771–772, and 775 (Fourth Review)]

### Stainless Steel Wire Rod From Japan, Korea, and Taiwan; Institution of a Five-Year Review

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it has instituted a review pursuant to the Tariff Act of 1930 (“the Act”), as amended, to determine whether revocation of the antidumping duty order on stainless steel wire rod from Japan, Korea, and Taiwan would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

**DATES:** Instituted July 1, 2021. To be assured of consideration, the deadline for responses is August 2, 2021. Comments on the adequacy of responses

may be filed with the Commission by September 10, 2021.

**FOR FURTHER INFORMATION CONTACT:**

Lawrence Jones (202–205–3358), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

*Background.*—On September 15, 1998, the Department of Commerce (“Commerce”) issued antidumping duty orders on imports of stainless steel wire rod from Italy, Japan, Korea, Spain, Sweden, and Taiwan (63 FR 49327). Following the first five-year reviews by Commerce and the Commission, effective August 13, 2004, Commerce issued a continuation of the antidumping duty orders on imports of stainless steel wire rod from Italy, Japan, Korea, Spain, and Taiwan (69 FR 50167). Commerce revoked the antidumping duty order on imports of stainless steel wire rod from Sweden, effective April 23, 2007 (72 FR 25261, May 4, 2007). Following the second five-year reviews by Commerce and the Commission, effective June 17, 2010, Commerce issued a continuation of the antidumping duty orders on imports of stainless steel wire rod from Italy, Japan, Korea, Spain, and Taiwan (75 FR 34424). Following the third full five-year reviews by Commerce and the Commission, effective August 15, 2016, Commerce revoked the antidumping duty orders on imports of stainless steel wire rod from Italy and Spain, as a result of the ITC's determination that revocation of the antidumping duty orders on stainless steel wire rod from Italy and Spain would not likely lead to continuation or recurrence of material injury to an industry in the United States. Additionally, Commerce issued a continuation of the antidumping duty orders on imports of stainless steel wire rod from Japan, Korea, and Taiwan (81 FR 54043). The Commission is now conducting a fourth review pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would

be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission's determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

*Definitions.*—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of these five-year reviews, as defined by the Department of Commerce.

(2) The *Subject Countries* in these reviews are Japan, Korea, and Taiwan.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original and full first and second and third five-year review determinations, the Commission found one *Domestic Like Product* consisting of all stainless steel wire rod corresponding to Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original and full first, second, and third five-year review determinations, the Commission defined the *Domestic Industry* as consisting of all domestic producers of stainless steel wire rod.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

*Participation in the proceeding and public service list.*—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in

the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.*—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Certification.*—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be

disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

**Written submissions.**—Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is August 2, 2021. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct an expedited or full review. The deadline for filing such comments is September 10, 2021. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

No response to this request for information is required if a currently valid Office of Management and Budget ("OMB") number is not displayed; the OMB number is 3117 0016/USITC No. 21–5–492, expiration date June 30, 2023. Public reporting burden for the

request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436.

**Inability to provide requested information.**—Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to § 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determination in the review.
