Rulemaking Considerations

A. Administrative Procedure Act:

Since this final rule is directed to changing an Office address, this final rule merely involves rules of agency organization, procedure, or practice within the meaning of 5 U.S.C. 553(b)(A) and is a non-substantive change to the regulations. Accordingly, this final rule may be adopted without prior notice and opportunity for public comment under 5 U.S.C. 553(b) and (c). Furthermore, the Office finds good cause to waive the 30-day delayed effectiveness period, as provided by 5 U.S.C. 553(d)(3), because such delay would be contrary to the public interest in providing accurate contact information for the Office.

B. Regulatory Flexibility Act: As prior notice and an opportunity for public comment are not required pursuant to 5 U.S.C. 553 (or any other law), neither a Regulatory Flexibility Act analysis nor a certification under the Regulatory
reduce burden as set forth in sections 3(a) and 3(b)(2) of Executive Order 12988 (Feb. 5, 1996).

I. Executive Order 13045 (Protection of Children): This rulemaking does not concern an environmental risk to health or safety that may disproportionately affect children under Executive Order 13045 (Apr. 21, 1997).

J. Executive Order 12630 (Taking of Private Property): This rulemaking will not affect a taking of private property or otherwise have taking implications under Executive Order 12630 (Mar. 15, 1988).

K. Congressional Review Act: Under the Congressional Review Act provisions of the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801 et seq.), prior to issuing any final rule, the USPTO will submit a report containing the rule and other required information to the United States Senate, the United States House of Representatives, and the Comptroller General of the Government Accountability Office. The changes set forth in this rulemaking are not expected to result in an annual effect on the economy of $100 million or more, a major increase in costs or prices, or significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets. Therefore, this rulemaking is not a “major rule” as defined in 5 U.S.C. 804(2).

L. Unfunded Mandates Reform Act of 1995: The changes set forth in this rulemaking do not involve a Federal intergovernmental mandate that will result in the expenditure by state, local, and tribal governments, in the aggregate, of $100 million (as adjusted) or more in any one year, or a Federal private sector mandate that will result in the expenditure by the private sector of $100 million (as adjusted) or more in any one year, and will not significantly or uniquely affect small governments. Therefore, no actions are necessary under the provisions of the Unfunded Mandates Reform Act of 1995. See 2 U.S.C. 1501 et seq.

M. National Environmental Policy Act of 1969: This rulemaking will not have any effect on the quality of the environment and is thus categorically excluded from review under the National Environmental Policy Act of 1969. See 42 U.S.C. 4321 et seq.

N. National Technology Transfer and Advancement Act of 1995: The requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 3727 note) are not applicable because this rulemaking does not contain provisions that involve the use of technical standards.

O. Paperwork Reduction Act of 1995: The Paperwork Reduction Act of 1995 (44 U.S.C. 3501) requires that the Office consider the impact of paperwork and other information collection burdens imposed on the public. This rulemaking does not involve any new information collection requirements that are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).

Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information has a valid OMB control number.

Television Broadcasting Services
Peoria and Oswego, Illinois

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: On April 14, 2021, the Media Bureau, Video Division (Bureau) issued a Notice of Proposed Rulemaking (NPRM) in response to a petition for rulemaking filed by Four Seasons Peoria, LLC (Petitioner), requesting an amendment of the DTV Table of Allotments to delete channel 10 at Peoria, Illinois, substitute channel 10 at Oswego, Illinois, and modify the WAOE license to specify Oswego as its community of license. For the reasons set forth in the Report and Order referenced below, channel 10 is deleted from Peoria, Illinois, and allotted to Oswego, Illinois. Further, WAOE’s community of license is modified to Oswego, Illinois.

DATES: Effective July 2, 2021.

FOR FURTHER INFORMATION CONTACT:
Andrew Manley, Media Bureau, at (202) 418–0596 or Andrew.Manley@fcc.gov.

SUPPLEMENTARY INFORMATION:
The proposed rule was published at 86 FR 18934 on April 12, 2021. The Petitioner filed comments in support of the petition. No other comments were filed. We believe the public interest would be served by allotting channel 10 at Oswego, Illinois. Oswego (pop. 34,383) is the largest community in Kendall County, Illinois, and clearly qualifies for community of license status for allotment purposes. In addition, the proposal would result in a first local service to Oswego. Moreover, the allotment is consistent with the minimum geographic spacing requirements for new DTV allotments in the Commission’s rules, and the allotment point complies with the rules as the entire community of Oswego is encompassed by the 43 dBu contour. Finally, since the Petitioner does not propose any changes in WAOE’s authorized facilities, the authorized and proposed facilities are mutually exclusive.

This is a synopsis of the Commission’s Report and Order, MB Docket No. 21–54; RM–11879; DA 21–702, adopted June 16, 2021, and released June 16, 2021. The Commission will send a copy of this Report and Order in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, see 5 U.S.C. 801(a)(1)(A).
