

will engage its Driver Subcommittee for its consideration of workforce needs, at a meeting later this summer.

Additionally, MCSAC will resume consideration of the following issues:

- Task 20–2 will focus on the impact of the aging demographic of the commercial motor vehicle driver workforce on the truck and bus industries and whether this trend will exacerbate the driver shortage problem. Stakeholders have expressed concerns about the need to address the driver shortage, including options for allowing younger drivers to enter the industry. How would an aging workforce impact motor carriers' ability to deliver services and goods safely in interstate commerce? For this task, FMCSA will consider data by agency experts on the distribution of age among CMV drivers.
- Task 20–1 will provide the MCSAC with the opportunity to discuss changes to the package and small goods delivery sector. A number of companies are now using small vehicles (e.g., vehicles with a gross vehicle weight rating less than 10,000 pounds, etc.) to deliver goods and there appears to be a gap in safety oversight of both drivers and vehicles. For this task, members will hear from Agency experts on trends in the Fatality Analysis Reporting System (FARS) and Motor Carrier Management Information System (MCMIS) crash and highway safety data.

II. Meeting Participation

While not required, advance registration is encouraged. To indicate that you will attend, please register at www.fmcsa.dot.gov/mcsac by the deadline referenced in the **DATES** section. For privacy issues, please contact: The Department of the Treasury, Office of Privacy and Civil Liberties via email at privacy@treasury.gov.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, the Department of the Treasury (“Treasury” or the “Department”), Treasury proposes to modify a current Treasury system of records titled, “Department of the Treasury, Treasury .001—Treasury Payroll and Personnel System” System of Records.

The proposed modification to the system of records makes the following substantive changes:

Treasury is modifying and publishing the modified system of records notice to add (1) one authority to collect, (2) one additional purpose (producing of reports, statistical surveys, rosters, documentation, and studies required for the orderly personnel administration within Treasury), (3) add 6 new routine uses (1–6 of this notice), and (4) update the routine use 23 (formerly 17). This update includes disclosing information to the Department of Justice, appropriate federal, state, local, tribal, foreign, or international agency, Congressional office, the National Archives and Records Administration Archivist, and the 2 breach response routine uses. Additionally, this modification includes an update to the authority to collect. The updated routine use 23 is consistent with the purposes of the original SORN that the records will be used for “production of reports, statistical surveys, rosters, documentation, and studies required for the orderly personnel administration within

Treasury.” The updated routine use makes it clear and more specific that the records may be disclosed to contractors, grantees, experts, consultants, students, other federal agencies, and others performing or working on a contract, service, grant, cooperative agreement, or other assignment for the Department of the Treasury as required, (5) add Executive Orders 9397, as amended by 13478, 9830, and 12107 relating to Federal agency use of Social Security Numbers. These Executive Orders authorize collection of the Social Security Number. The information maintained in the system is collected to evaluate individuals for specific employment opportunities, and (6) add the American Rescue Plan Act of 2021 (Pub. L. 117-2) as an authority. The American Rescue Plan Act of 2021 provides federal employees with emergency paid leave (EPL) for reasons related to COVID-19. This paid leave entitlement is similar to the emergency paid sick leave (EPSL) provided under the Families First Coronavirus Response Act, but it is not a revival of EPSL. EPL may be used from March 11, 2021, through Sept. 30, 2021 by employees unable to work.

Treasury has provided a report of this system of records to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget (OMB), pursuant to 5 U.S.C. 552a(r) and OMB Circular A-108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act,” dated December 23, 2016.

Dated: June 10, 2021.

Ryan Law,

Deputy Assistant Secretary for Privacy, Transparency, and Records.
