OMWI Contract Standard for Contractor Workforce Inclusion.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for approval.

Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) provided that certain agencies, including the Commission, establish an Office of Minority and Women Inclusion (OMWI).¹ Section 342(c)(2) of

the Dodd-Frank Act requires the OMWI Director to include in the Commission's procedures for evaluating contract proposals and hiring service providers a written statement that the contractor shall ensure, to the maximum extent possible, the fair inclusion of women and minorities in the workforce of the contractor and, as applicable, subcontractors. To implement the acquisition-specific requirements of Section 342(c)(2) of the Dodd-Frank Act, the Commission adopted a Contract Standard for Contractor Workforce Inclusion (Contract Standard).

The Contract Standard, which is included in the Commission's solicitations and resulting contracts for services with a dollar value of \$100,000 or more, contains a “collection of information” within the meaning of the Paperwork Reduction Act. The Contract Standard requires that a Commission contractor provide documentation, upon request from the OMWI Director, to demonstrate that it has made good faith efforts to ensure the fair inclusion of minorities and women in its workforce and, as applicable, to demonstrate its covered subcontractors have made such good faith efforts. The documentation requested may include, but is not limited to: (1) The total number of employees in the contractor's workforce, and the number of employees by race, ethnicity, gender, and job title or EEO–1 job category (e.g., EEO–1 Report(s)); (2) a list of covered subcontract awards under the contract that includes the dollar amount of each subcontract, date of award, and the subcontractor's race, ethnicity, and/or gender ownership status; (3) the contractor's plan to ensure the fair inclusion of minorities and women in its workforce, including outreach efforts; and (4) for each covered subcontractor, the information requested in items 1 and 3 above. The OMWI Director will consider the information submitted in evaluating whether the contractor or subcontractor has complied with its obligations under the Contract Standard.

The information collection is mandatory.

Estimated number of respondents: Based on a review of the last two full fiscal years since the last approval of this information collection, the Commission estimates that 175 contractors² would be subject to the Contract Standard. Approximately 102 of these contractors have 50 or more

² Unless otherwise specified, the term “contractors” refers to contractors and subcontractors.
