Dated: July 1, 2021.

Ryan Majerus, Deputy Assistant Secretary for Policy and Negotiations.

Appendix

Scope of the Order

The scope of the order includes certain frozen warmwater shrimp and prawns, whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,23 deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of the order, regardless of definitions in the Harmonized Tariff Schedule of the United States (“HTS”), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the Penaeidae family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, white-leg shrimp (Penaeus vannamei), banana prawn (Penaeus merguiensis), fleshy prawn (Penaeus chinensis), giant river prawn (Macrobrachium rosenbergii), giant tiger prawn (Penaeus monodon), redspotted shrimp (Penaeus brassiliensis), southern brown shrimp (Penaeus subtilis), southern pink shrimp (Penaeus notialis), southern rough shrimp (Trachypenaeus curvirostris), southern white shrimp (Penaeus schmitti), blue shrimp (Penaeus stylirostris), western white shrimp (Penaeus occidentalis), and Indian white prawn (Penaeus indicus).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of the order. In addition, food preparations, which are not “prepared meals,” that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of the order. Excluded from the scope are: (1) Breaded shrimp and prawns (HTS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the Pandalidae family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns in prepared meals (HTS subheadings 1605.20.05.10); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTS subheading 1605.20.10.40); and (7) certain battered shrimp. Battered shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a “dusting” layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and 10 percent of the product’s total weight after being dusted, but prior to being frozen; and (5) that is subjected to individually quick frozen (“IQF”) freezing immediately after application of the dusting layer. When dusted in accordance with the definition of dusting above, the battered shrimp product is also coated with a wet viscous layer containing egg and/or milk, and par-fried. The products covered by this order are currently classified under the following HTS subheadings: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. These HTS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of this order is dispositive.

Certain Chassis and Subassemblies Thereof From the People’s Republic of China: Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and International Trade Commission (ITC), Commerce is issuing its antidumping duty (AD) order on certain chassis and subassemblies thereof (chassis) from the People’s Republic of China (China).

DATES: Applicable July 8, 2021.

FOR FURTHER INFORMATION CONTACT: Hermes Pinilla or Mary Kolberg, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3477 or (202) 482–1785, respectively.

On April 26, 2021, Commerce amended the order to include dusted shrimp, pursuant to the U.S. Court of International Trade (CIT) decision in Certain Chassis and Subassemblies Thereof From the People’s Republic of China: Antidumping Duty Order in Accordance with Final Court Decision, 67 F. Supp. 2d 1330 (CIT 2009) and the U.S. International Trade Commission (USITC) determination, which found the domestic like product to include dusted shrimp. See Certain Frozen Warmwater Shrimp from Brazil, India, the People’s Republic of China, Thailand, and the Socialist Republic of Vietnam: Amended Antidumping Duty Orders in Accordance with Final Court Decision, 76 FR 23277 (April 26, 2011); see also Ad Hoc Shrimp Trade Action Committee v. United States, 703 F. Supp. 2d 1330 (CIT 2010) and Frozen Warmwater Shrimp from Brazil, China, India, Thailand, and Vietnam (Investigation Nos. 731–1A–1063, 1064, 1066–1068 (Review), USITC Publication 4221, March 2011.

SUPPLEMENTARY INFORMATION:

Background

On May 17, 2021, Commerce published its affirmative final determination in the less-than-fair-value (LTFV) investigation of chassis from China. On July 1, 2021, the ITC notified Commerce of its affirmative final determination that, pursuant to sections 735(b)(1)(A)(i) and 735(d) of the Act, an industry in the United States is materially injured by reason of imports of subject merchandise from China that are sold in the United States at LTFV.

Scope of the Order

The products covered by the order are certain chassis and subassemblies thereof from China. For a full description of the scope of this order, see the appendix of this notice.

AD Order

On July 1, 2021, in accordance with sections 735(b)(1)(A)(i) and 735(d) of the Act, the ITC notified Commerce of its final determination that an industry in the United States is materially injured by reason of imports of chassis from China that are sold in the United States at LTFV. Therefore, in accordance with section 735(c)(2) of the Act, we are issuing this AD order. Because the ITC determined that imports of chassis from China are materially injuring a U.S. industry, unliquidated entries of such merchandise from China entered, or withdrawn from warehouse, for consumption are subject to the assessment of antidumping duties.

Therefore, in accordance with sections 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Patrol (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of chassis from China. Antidumping duties will be assessed on unliquidated entries of chassis from China entered, or withdrawn from warehouse, for consumption.

Dated: March 1, 2022.

\[22\] On April 26, 2021, Commerce amended the order to include dusted shrimp, pursuant to the U.S. Court of International Trade (CIT) decision in Ad Hoc Shrimp Trade Action Committee v. United States, 703 F. Supp. 2d 1330 (CIT 2010) and the U.S. International Trade Commission (USITC) determination, which found the domestic like product to include dusted shrimp. See Certain Frozen Warmwater Shrimp from Brazil, India, the People’s Republic of China, Thailand, and the Socialist Republic of Vietnam: Amended Antidumping Duty Orders in Accordance with Final Court Decision, 76 FR 23277 (April 26, 2011); see also Ad Hoc Shrimp Trade Action Committee v. United States, 703 F. Supp. 2d 1330 (CIT 2010) and Frozen Warmwater Shrimp from Brazil, China, India, Thailand, and Vietnam (Investigation Nos. 731–1A–1063, 1064, 1066–1068 (Review), USITC Publication 4221, March 2011.

\[23\] “Tails” in this context means the tail fan which includes the telson and the uropods.
determination under section 735(b) of the Act, as further described in the “Provisional Measures” section of this notice.4

Continuation of Suspension of Liquidation and Cash Deposits

Except as noted in the “Provisional Measures” section of this notice, in accordance with section 735(c)(1)(B) of the Act, Commerce will instruct CBP to continue to suspend liquidation on all relevant entries of chassis from China. These instructions suspending liquidation will remain in effect until further notice. Commerce will also instruct CBP to require cash deposits equal to the estimated weighted-average dumping margins indicated in the table below, adjusted by the export subsidy offset.5 Accordingly, effective on the date of publication in the Federal Register of the notice of the ITC’s final affirmative injury determination, CBP must require, at the same time as importers would deposit estimated normal customs duties on subject merchandise, a cash deposit equal to the rates listed in the table below.

Provisional Measures

Section 733(d) of the Act states that suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months. Commerce published the AD Preliminary Determination in this investigation on March 4, 2021. The provisional measures period, beginning on the date of publication of the AD Preliminary Determination, ends on July 1, 2021. Therefore, in accordance with section 733(d) of the Act and our practice, Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of chassis from China, entered, or withdrawn from warehouse, for consumption after July 1, 2021, the final day on which the provisional measures were in effect, until and through the day preceding the date of publication of the ITC’s final affirmative injury determination in the Federal Register. Suspension of liquidation and the collection of cash deposits will resume on the date of publication of the ITC’s final determination in the Federal Register.

Notification to Interested Parties

This notice constitutes the AD order with respect to chassis from China pursuant to section 736(a) of the Act. Interested parties can find a list of AD orders currently in effect at http://enforcement.trade.gov/stats/iastats1.html.

This order is published in accordance with sections 736(a)(3) of the Act, and 19 CFR 351.211(b).

Dated: July 1, 2021.

Christian Marsh,
Acting Assistant Secretary for Enforcement and Compliance.

Appendix

Scope of the Order

The merchandise covered by this order consists of chassis and subassemblies thereof, whether finished or unfinished, whether assembled or unassembled, whether coated or uncoated, regardless of the number of axles, for carriage of containers, or other payloads (including self-supporting payloads) for road, marine roll-on/roll-off (RORO) and/or rail transport. Chassis are typically, but are not limited to, rectangular frames, including kingpin assemblies, main frames and a solid, flat or stepped platform) trailers consist of load-carrying axles, brake chambers, locking pins, and tires and wheel end components, slack adjusters, axles, brake chambers, locking pins, and tires and wheels:

- Landing gear assemblies, for connection to the chassis frame, capable of supporting the chassis when it is not engaged to a tractor; and
- Assemblies that connect to the chassis frame or a section of the chassis frame, such as, but not limited to, pintle hooks or B-trains (which include a fifth wheel), which are capable of connecting a chassis to a converter dolly or another chassis.

Importation of any of these subassemblies, whether assembled or unassembled, constitutes an unfinished chassis for purposes of this order.

Subject merchandise also includes chassis, whether finished or unfinished, entered with or for further assembly with components such as, but not limited to: Hub and drum assemblies, brake assemblies (either drum or disc), axles, brake chambers, suspensions and suspension components, wheel end components, landing gear legs, spoked or disc wheels, tires, brake control systems, electrical harnesses and lighting systems.

Processing of finished and unfinished chassis and components such as, trimming, cutting, grinding, notching, punching, drilling, painting, coating, staining, finishing, assembly, or any other processing either in the country of manufacture of the in-scope product or in a third country does not remove the product from the scope. Inclusion of other components not identified as comprising the finished or unfinished chassis does not remove the product from the scope. Individual components entered and sold by themselves are not subject to the order, but components entered with or for further assembly with a finished or unfinished subject merchandise are subject merchandise. A finished chassis is ultimately comprised of several different types of subassemblies. Within each subassembly there are numerous components that comprise a given subassembly.

This scope excludes dry van trailers, refrigerated van trailers and flatbed trailers. Dry van trailers are trailers with a wholly enclosed cargo space comprised of fixed sides, nose, floor and roof, with articulated panels (doors) across the rear and occasionally at selected places on the sides, with the cargo space being permanently incorporated in the trailer itself. Refrigerated van trailers are trailers with a wholly enclosed cargo space comprised of fixed sides, nose, floor and roof, with articulated panels (doors) across the rear and occasionally at selected places on the sides, with the cargo space being permanently incorporated in the trailer and being insulated, possessing specific thermal properties intended for use with self-contained refrigeration systems. Flatbed (or platform) trailers consist of load-carrying main frames and a solid, flat or stepped landing deck or floor permanently incorporated with and supported by frame rails and cross members.

The finished and unfinished chassis subject to this order are typically classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheadings: 8716.39.0900 and 8716.90.5060. Imports of
May 17, 2021, we extended the preliminary results by 30 days, to no later than July 2, 2021.4

Scope of the Order

The products covered by the antidumping duty Order are CR steel products. A full description of the scope of the Order is contained in the Preliminary Decision Memorandum.5

Methodology

Commerce conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be found at https://enforcement.trade.gov/frn/. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Results of the Administrative Review

We preliminarily determine that the following weighted-average dumping margin exists for Liberty for the period September 1, 2019, through August 31, 2019:

<table>

Disclosure and Public Comment

We intend to disclose the calculations performed for the preliminary results of this administrative review to parties within five days after public announcement or publication of the preliminary results in accordance with 19 CFR 351.224(b).

Case briefs or other written comments on non-scope issues may be submitted to the Assistant Secretary for Enforcement and Compliance. Interested parties will be notified of the timeline for the submission of such case briefs and written comments at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs. Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Case and rebuttal briefs should be filed using ACCESS7 and must be served on interested parties.8

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) The party’s name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

Commerce has modified certain of its requirements for serving documents containing business proprietary information until further notice. An electronically filed hearing request must be received successfully in its entirety by Commerce’s electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.9

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, unless:
