Additional Information

In order to receive notification of the issuance of the EIS and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.

Additional information about the Project is available from the Commission’s Office of External Affairs, at (866) 208–FERC, or on the FERC website at www.ferc.gov using the eLibrary link. Click on the eLibrary link, click on “General Search” and enter the docket number in the “Docket Number” field. Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at FercOnlineSupport@ferc.gov or (866) 208–3676, or for TTY, contact (202) 502–8659. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

Hecate Energy Blair Road LLC; Notice of Petition for Declaratory Order

Take notice that on July 6, 2021, pursuant to Rule 207 of the Federal Energy Regulatory Commission’s (Commission) Rules of Practice and Procedure,¹ Hecate Energy Blair Road LLC (Blair or Petitioner), filed a petition for declaratory order (Petition) requesting that the Commission issue a declaratory order providing limited waiver of the filing requirements applicable to small power production facilities set forth in Section 292.203(a)(3) of the Commission’s regulations (QF Filing Requirement)² for the time-period beginning when its qualifying small power production facility was placed into operation on December 29, 2017, and ending on March 30, 2021, and when Blair filed a QF self-certification with respect to such facility (Gap Period), as more fully explained in the petition.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Petitioner.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission’s Home Page (<http://www.ferc.gov>) using the “eLibrary” link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission’s Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID–19), issued by the President on March 13, 2020. Delfin LNG LLC; Notice of Request for Extension of Time

Take notice that on June 30, 2021, Delfin LNG LLC (Delfin) requested that the Federal Energy Regulatory Commission (Commission) grant an extension of time, until September 28, 2022, to construct and place into service the facilities that were authorized in the original certificate authorization issued on September 28, 2017 (Certificate Order).¹ The Certificate Order authorized certain “onshore facilities” that would be used exclusively to transport natural gas to Delfin’s deepwater port “offshore facilities” (collectively, the Project) in federal waters offshore Louisiana. The onshore facilities would be used to meet the requirements of the customers of the offshore facilities. The Certificate Order required Delfin to construct and place the facilities in service by September 28, 2019.

Delfin states that on June 21, 2019, it requested an extension of time until March 28, 2023 to complete the construction of the onshore facilities in conjunction with construction of the offshore facilities. Delfin states that on July 8, 2019, the Commission’s Office of
