

confirming receipt of the document. The E-Filing system also distributes an email that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed to obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public website at <https://www.nrc.gov/site-help/e-submittals.html>, by email to [MSHD.Resource@nrc.gov](mailto:MSHD.Resource@nrc.gov), or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted in accordance with 10 CFR 2.302(b)-(d). Participants filing adjudicatory documents in this manner are responsible for serving their documents on all other participants. Participants granted an exemption under 10 CFR 2.302(g)(2) must still meet the electronic formatting requirement in 10 CFR 2.302(g)(1), unless the participant also seeks and is granted an exemption from 10 CFR 2.302(g)(1).

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket, which is publicly available at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the presiding officer. If you do not have an NRC-issued digital ID certificate as described above, click "cancel" when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information such as social security numbers, home addresses, or personal phone numbers in their filings unless an NRC regulation or other law

requires submission of such information. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants should not include copyrighted materials in their submission.

**POSTAL SERVICE**

**Transfer of Post Office Box Service in Selected Locations to the Competitive Product List**

**AGENCY:** Postal Service™.  
**ACTION:** Notice.

**SUMMARY:** The Postal Service hereby provides notice that 227 locations will be reassigned from their market-dominant fee groups to competitive fee groups.

**DATES:** Effective date: August 29, 2021.

**ADDRESSES:** For additional information, please contact: Sheila Marano, Manager Product Management, Special Services, 475 L'Enfant Plaza SW, Room 2P836, Washington, DC 20260.

**FOR FURTHER INFORMATION CONTACT:** Valerie Pelton, 202-487-4341.

**SUPPLEMENTARY INFORMATION:** Locations providing Post Office Box service are classified as competitive or market dominant and assigned to fee groups based upon proximity to private sector competitors and other criteria. Competitive locations provide more services than market dominant ones and have somewhat higher fees.

In May 2011, the Postal Service filed a request with the Postal Regulatory Commission (PRC) to transfer approximately 6,800 PO Box locations from market-dominant to competitive fee groups, based on a showing that sufficient competition exists when a private sector alternative exists within five miles or less. PRC Docket No. MC2011-25. Documents pertinent to that proceeding are available at [www.prc.gov](http://www.prc.gov), Docket No. MC2011-25. At that time, the Postal Service advised the PRC that a **Federal Register** notice

would be filed whenever the Postal Service subsequently updates the list of competitive locations by applying the criteria approved in that docket. Since the original filing, the Postal Service updated the list of competitive locations in 2013 to add an additional location, *see* 79 FR 60928-60929 (Oct. 2, 2013), and subsequently updated it again to add 1625 locations effective Aug. 27, 2014, *see* 79 FR 38972-38998 (July 9, 2014). Competitive Post Office Box service includes several enhancements such as: electronic notification of the receipt of mail, use of an alternate street address format, signature on file for delivery of certain accountable mail, and additional hours of access and/or earlier availability of mail in some locations.

On May 11, 2021, the Postal Service provided notice with opportunity to comment of its re-application of the Docket No. MC2011-25 criteria to 237 PO Box locations (out of a total of approximately 32,788 locations). The Postal Service has not received any comments. Accordingly, the Postal Service hereby provides notice that Post Office® Box service for the 227 ZIP Code® locations listed below is reassigned from market dominant fee groups to competitive fee groups effective August 29, 2021.

This Notice also updates the May 11 list to exclude 10 locations which were erroneously included as those locations are for contract postal units (CPUs). The updated list of 227 PO Box locations are properly classified as competitive based on their proximity to a private sector competitor within five miles. The Postal Service updated the list of locations to remove the 10 CPU locations and confirms that the 227 reclassified locations meet all of the criteria that the Commission considered in Docket No. MC2011-25. The Postal Service used WebBATS and geospatial data to identify and confirm that each post

office location is within five miles of a private sector competitor. The Postal Service excluded locations with less than 250 boxes due to the “small customer base” and locations with access constraints.

Communications are being sent to the identified Postmasters of the locations; and PO Box customers in the identified 227 Post Office locations will receive an email and/or letter notifying them that their PO Boxes are now competitive locations and include the additional services. Additional internal and external communications will be sent as well. A list of affected locations, with the associated ZIP Codes, is provided in the Appendix to this notice. No comments were received or delivered by mail with the initial notice.

**Joshua Hofer,**  
*Attorney, Ethics & Legal Compliance.*

**Appendix—Transfer of Additional Post Office Box Locations to Competitive Fee Group—ZIP Code Listing**

The following is a list of the locations which are described in the Notice above reassigned from market dominant to competitive fee groups. The list is sorted by ZIP Code in ascending numerical order with geographical breaks and headers. As indicated by the column headings, this list provides the ZIP Code of the affected PO Boxes (ZIP), the office name of the location (OFFICE NAME), the city where the PO Boxes are located (CITY), the current market dominant fee group (CFG), and the new competitive fee group (NFG). Please note that there are more ZIP Codes than locations being moved to competitive fee groups, because some locations serve more than one ZIP Code. These locations can be identified whenever multiple ZIP Codes are listed for a single office name.

The list of 227 transferred locations is below.
