Abstract: Under the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act), Public Law 116–260 (December 27, 2020), Congress first authorized the Emergency Assistance to Non-Public Schools (EANS) program to provide emergency services or assistance to non-public schools in the wake of the Coronavirus Disease 2019 (COVID–19). The American Rescue Plan Act of 2021 (ARP Act), Public Law 117–2 (March 11, 2021), authorized a second round of funding (ARP EANS) to provide services or assistance to non-public schools.

This information collection requests approval for a new collection that includes annual reporting requirements that align with the requirements of the EANS program and obtain information on how the funds were used. In accordance with the Recipient's Funding Certification and Agreements executed by EANS grantees, the Secretary may specify additional forms of reporting. In addition to reviewing the proposed ICR, ED requests stakeholders respond to the directed questions found in Attachment A.

Abstract: Under the current unprecedented national health emergency, the legislative and executive branches of government have come together to offer relief to those individuals and industries affected by the COVID–19 virus under the Coronavirus Aid, Relief, and Economic Security (CARES) Act (Pub. L. 116–136) authorized on March 27, 2020 and expanded through the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, and the American Rescue Plan.

The Department awards Education Stabilization Fund—Governor's Emergency Education Relief (GEER) grants to Governors (States) and analogous grants to Outlying Areas for the purpose of providing local educational agencies (LEAs), institutions of higher education (IHEs), and other education related entities with emergency assistance as a result of the coronavirus pandemic. The Department has awarded these grants to States (Governor's offices) based on a formula stipulated in the legislation. The grants are also awarded to Outlying Areas based on the same formula: (1) 60% on the basis of the State's or Outlying Area's relative population of individuals aged 5 through 24. (2) 40% on the basis of the State's relative number of children counted under section 1124(c) of the Elementary and Secondary Education Act of 1965 (ESEA). The grants are awarded to Outlying Areas based on the same formula. Data collected through this information collection will inform Department monitoring and oversight, and public reporting. This information collection requests approval for a revision to a previously approved collection that includes annual reporting requirements to comply with the requirements of the GEER program and obtain information on how the funds were used. The revisions reflect a streamlining of the approved collection form requests for additional reporting

This submission includes revisions to the GEER data collection. In addition to reviewing the proposed revisions, ED requests stakeholders respond to the directed questions found in Attachment A.
