SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-92354; File No. SR-CBOE-2021-020]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing of Amendment No. 1 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No. 1, To Adopt Rule 6.10 To Introduce a Voluntary Multilateral Compression Service for SPX Options

July 8, 2021.

I. Introduction

On March 24, 2021, Cboe Exchange, Inc. ("Exchange" or "Cboe") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt new Cboe Rule 6.10 to introduce a voluntary compression service for market makers. The proposed rule change was published for comment in the **Federal Register** on April 12, 2021.³ On May 25, 2021, the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁴ On July 7, 2021, the Exchange filed Amendment No. 1 to the proposed rule change, which replaced and superseded the proposed rule change in its entirety.⁵ The Commission is publishing this notice to solicit comments on the Exchange's proposal, as modified by Amendment No. 1, from interested persons and is approving the Exchange's proposal, as

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 91482 (April 6, 2021), 86 FR 19067. Comments on the proposed rule change can be found on the Commission's website at: <https://www.sec.gov/comments/sr-cboe-2021-020/sr-cboe2021020.htm>.

⁴ See Securities Exchange Act Release No. 92011, 86 FR 29334 (June 1, 2021). The Commission designated July 11, 2021, as the date by which it should approve, disapprove, or institute proceedings to determine whether to disapprove the proposed rule change.

⁵ In Amendment No. 1, the Exchange: (1) Narrowed the list of index options that could be compressed to include only SPX options and limited the compression service to closing positions only, (2) expanded eligibility from only market makers to all TPHs, (3) added detail to the participation requirements to ensure that the proposed compression service is limited to legitimate compression purposes, (4) added further detail regarding the proposed compression service, and (5) added additional justification for the proposed rule change.
