DHS believes the T nonimmigrant program is an effective tool in the investigation of and fight against human trafficking, disrupting and dismantling human trafficking organizations and providing support and protection to their victims. During the reopening of the public comment period, DHS encourages comments and suggestions on all aspects of the T-nonimmigrant program and USCIS administration of the program.

DHS is reopening the comment period to allow interested persons to provide up-to-date comments on the IFR in recognition of the time that has lapsed since the initial publication of the IFR. Reopening the comment period ensures that we are fully considering all current factors, concerns and input of the parties who may be affected by this rulemaking. DHS also believes that the T nonimmigrant program will benefit from updated public comments regarding eligibility and procedures for the classification for T nonimmigrant status. Due to the lapse in time since the IFR was issued, DHS seeks to reengage the public and allow further input on the changes prior to finalizing this rulemaking. DHS will consider comments received during the entire public comment period in our development of a final rule.
