[Docket No. CP21-469-000]

CenterPoint Energy Resources Corp.; Summit Utilities Arkansas, Inc.; Notice of Application and Establishing Intervention Deadline

Take notice that on June 28, 2021, CenterPoint Energy Resources Corporation (CERC), 1005 Congress Avenue, Suite 650, Austin, Texas 78701, and Summit Utilities Arkansas, Inc. (Summit Arkansas), 10825 E. Geddes Ave., Suite 410, Centennial, Colorado 80112, filed in Docket No. CP21-469-000 an abbreviated application under section 7(f) of the Natural Gas Act (NGA), and Part 157 of the Commission's regulations, requesting that the Commission: (i) Amend the service area determination granted in docket number CP19-111-000¹ on July 10, 2019 to remove certain service areas, as CERC will no longer have cross-border service areas in these locations; and (ii) transfer one service area currently authorized in the order referenced above to Summit Arkansas so that Summit Arkansas will succeed to a service area within which Summit Arkansas may, without further Commission authorization own and operate certain facilities that provide natural gas distribution service across state lines. Summit Arkansas also requests a finding that Summit Arkansas qualifies for treatment as a local distribution company for purposes of transportation under section 311 of the Natural Gas Policy Act of 1978 (NGPA), and a waiver of the Commission's accounting, reporting, and other regulatory requirements ordinarily applicable to natural gas companies under the NGA and the NGPA, all as

more fully set forth in the application which is on file with the Commission and open to public inspection.
