Preliminary Determination of Sales at Less Than Fair Value

Agency: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is postponing the deadline for issuing the final determination in the less-than-fair-value (LTFV) investigation of utility scale wind towers (wind towers) from India until October 6, 2021, and is extending the provisional measures from a four-month period to a period of not more than six months.

FOR FURTHER INFORMATION CONTACT: Terre Keaton or Amaris Wade, AD/CVD Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1280 or (202) 482–3874, respectively.

SUPPLEMENTARY INFORMATION: Background

On November 9, 2020, Commerce initiated an LTFV investigation of imports of wind towers from India. The period of investigation is July 1, 2019, through June 30, 2020. On May 24, 2021, Commerce published the Preliminary Determination.

Postponement of Final Determination

Section 735(a)(2) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(b)(2) require that a final determination be made within 180 days after the date of publication of the preliminary determination and that, if a final determination is not made within 180 days, the assistant secretary must issue a final determination no later than 135 days after the date of publication of the preliminary determination, and extend the application of the provisional measures from a four-month period to a period of not more than six months. In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The Preliminary Determination was affirmative; (2) the request was made by an exporter/producer who accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination until no later than 135 days after the date of the publication of the Preliminary Determination, and extending the provisional measures from a four-month period to a period of not more than six months. Accordingly, Commerce will issue its final determination no later than October 6, 2021.

Notes:

4. Because Commerce previously aligned the deadline for the final determination of the companion countervailing duty (CVD) investigation of wind towers from India with this deadline for this investigation, the deadline for issuing the final determination in the CVD investigation is also October 6, 2021.
