

furnished by a foreign governmental entity that indicates the specific entity and country involved. Licensees of each broadcast station and 325(c) permit holders also are required to exercise reasonable diligence to ascertain whether the foreign sponsorship disclosure requirements apply at the time of the lease agreement and at any renewal thereof.

This information collection requirements will provide the Commission and the public with increased transparency and will ensure that audiences of broadcast stations are aware when a foreign government, or its representatives, are seeking to persuade the American public. The information collection requirements will also enable interested parties to monitor the extent of such efforts to persuade the American public.

OMB Control Number: 3060–0214.

Title: Sections 73.3526 and 73.3527, Local Public Inspection Files; Sections 73.1212, 76.1701 and 73.1943, Political Files.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; Not for profit institutions; State, Local or Tribal government; Individuals or households.

Number of Respondents and Responses: 23,984 respondents; 62,839 responses.

Estimated Time per Response: 1–52 hours.

Frequency of Response: On occasion reporting requirement, Recordkeeping requirement, Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority that covers this information collection is contained in Sections 151, 152, 154(i), 303, 307 and 308 of the Communications Act of 1934, as amended.

Total Annual Burden: 2,047,805 Hours.

Total Annual Cost: No cost.

Privacy Impact Assessment: There are two systems of records relevant to this collection: FCC/MB–2, “Broadcast Station Public Inspection Files,” and FCC/IB–1, “International Bureau Filing System (IBFS).” The Commission has published a system of records notice (SORN) for FCC/MB–2 and will modify it as necessary to include any personally identifiable information (PII) that will be added to the Online Public Inspection Files system as part of this collection. The Commission is also preparing a SORN for FCC/IBFS–1 to cover any PII that will be added to IBFS as part of this collection. The

Commission is preparing Privacy Impact Assessments for both systems.

Nature and Extent of Confidentiality: Most of the documents comprising the public file consist of materials that are not of a confidential nature. Respondents complying with the information collection requirements may request that the information they submit be withheld from disclosure. If confidentiality is requested, such requests will be processed in accordance with the Commission’s rules, 47 CFR 0.459.

Needs and Uses: The information collection requirements included under this OMB Control Number 3060–0214, requires broadcast stations to maintain for public inspection a file containing the material set forth in 47 CFR 73.3526 and 73.3527.

This collection is being revised to reflect the burden associated with the foreign sponsorship identification disclosure requirements adopted in the *Sponsorship Identification Requirements for Foreign Government-Provided Programming* (86 FR 32221, June 17, 2021, FCC 21–42, rel. Apr. 22, 2021). The collection requires broadcast television and radio stations to place copies of foreign sponsorship identification disclosures required by 47 CFR 73.1212(j) and the name of the program to which the disclosures were appended in its online public inspection file on a quarterly basis in a standalone folder marked as “Foreign Government-Provided Programming Disclosures.” The collection requires 325(c) permit holders to place copies of foreign sponsorship identification disclosures required by 47 CFR 73.1212(j) and the name of the program to which the disclosures were appended in its International Bureau Filing System record on a quarterly basis. The filing must state the date and time the program aired. In the case of repeat airings of the program, those additional dates and times should also be included. Where an aural announcement was made, its contents must be reduced to writing and placed in the online public inspection file in the same manner.

This information collection requirement will provide the Commission and the public with increased transparency and will ensure that audiences of broadcast stations are aware when a foreign government, or its representatives, are seeking to persuade the American public. The information collection requirements will also enable interested parties to monitor the extent of such efforts to persuade the American public.
