II. Provisions of the Advisory

The Centers for Medicare & Medicaid Services (CMS) has identified those eligible clinicians who earned an APM Incentive Payment in CY 2021 based on their CY 2019 QP status.

When CMS disbursed the CY 2021 APM Incentive Payments, CMS was unable to verify current Medicare billing information for some QPs and was therefore unable to issue payment. In order to successfully disburse the APM Incentive Payment, CMS is requesting assistance in identifying current Medicare billing information for these QPs in accordance with 42 CFR 414.1450(c)(8).

CMS has compiled a list of QPs we have identified as having unverified billing information. These QPs, and any others who anticipated receiving an APM Incentive Payment but have not, should follow the instructions to provide CMS with updated billing information at the following address: https://qpp-cm-prod-content.s3.amazonaws.com/uploads/1498/QP%20Notice%20for%20APM%20Incentive%20Payment.zip.

If you have any questions concerning submission of information through the website, please contact the Quality Payment Program Help Desk at 1–866–288–8292.

All submissions must be received no later than November 1, 2021. After that time, any claims by a QP to an APM Incentive Payment will be forfeited for the CY 2021 payment year.

The Administrator of the Centers for Medicare & Medicaid Services (CMS), Chiquita Brooks-LaSure, having reviewed and approved this document, authorizes Lynette Wilson, who is the Federal Register Liaison, to electronically sign this document for purposes of publication in the Federal Register.
