

special expertise.” 40 CFR 1501.7(h). Potential cooperating agencies should consider their authority and capacity to assume the responsibilities of a cooperating agency and should be aware that an agency’s role in the environmental analysis neither enlarges nor diminishes the final decision-making authority of any other agency involved in the NEPA process.

Upon request, BSEE will provide potential cooperating agencies with a written summary of expectations for cooperating agencies, including schedules, milestones, responsibilities, scope and detail of cooperating agencies’ contributions, and availability of pre-decisional information. BSEE anticipates this summary will form the basis for a memorandum of agreement between BSEE and any cooperating agency outside the Department of the Interior. Agencies also should consider the factors for determining cooperating agency status in CEQ’s memorandum entitled, “Cooperating Agencies in Implementing the Procedural Requirements of the National Environmental Policy Act,” dated January 30, 2002. This document is available on the internet at: <https://www.energy.gov/nepa/downloads/cooperating-agencies-implementing-procedural-requirements-national-environmental>. BSEE, as the lead agency, will not provide financial assistance to cooperating agencies. Even if a governmental entity is not a cooperating agency, it will have opportunities to provide information and comments to BSEE during the public input stages of the NEPA process.

National Historic Preservation Act (NHPA) Consulting Parties

Certain individuals and organizations with a demonstrated interest in the Preliminary Proposed Action or alternatives may request to participate as NHPA consulting parties under 36 CFR 800.2(c)(5) based on their legal or economic stake in historic properties affected by the Preliminary Proposed Action or its alternatives. Additionally, the same provision allows those with concerns about the Preliminary Proposed Action’s effect on historic properties to request to be consulting parties. Parallel with its NEPA analyses, BSEE will compile a list of potential consulting parties and, in writing, invite these potential participants to become consulting parties. To become a consulting party, those invited must respond in writing. Interested individuals or organizations that do not receive an invitation may request to be consulting parties by writing to BSEE via the means provided in the

ADDRESSES section above. BSEE will determine which interested parties should be consulting parties.

Request for Identification of Potential Alternatives, Information, and Analyses Relevant to the Proposed Action

BSEE invites interested Federal and State agencies, Tribes, organizations and enterprises, and individuals to submit comments or suggestions that assist in identifying potentially significant environmental issues, relevant information, alternatives to the Proposed Action, and determining the scope of the Proposed Action.

Decision Maker

The decision maker for approving Pacific OCS decommissioning activities is the BSEE Pacific OCS Regional Director. The responsible official for the environmental analysis process and development of this PEIS is the BSEE Director.

Nature of Future Decisions To Be Made

The BSEE Pacific OCS Regional Director will render decisions regarding decommissioning applications for oil and gas platforms, pipelines, and other facilities and associated infrastructure on the OCS offshore Southern California in accordance with the applicable implementing regulations of the Outer Continental Shelf Lands Act (OCSLA), 30 CFR part 250 Subpart Q—Decommissioning Activities. Potential future decisions include approvals for initial platform removal applications, final applications to remove a platform or other facility, applications to decommission pipelines, and the granting of departures or alternate procedures or equipment.

The Commission has determined to exercise its authority to extend the review period by up to 90 days.

DATES: July 19, 2021.

The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On May 7, 2021, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews should proceed (86 FR 27650, May 21, 2021); accordingly, full reviews are being scheduled pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)). A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements are available from the Office of the Secretary and at the Commission’s website.

Participation in the reviews and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission’s rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission’s notice of institution of these reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and

addresses of all persons, or their representatives, who are parties to the reviews.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the reviews will be placed in the nonpublic record on October 28, 2021, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

Hearing.—The Commission will hold a hearing in connection with the reviews beginning at 9:30 a.m. on November 18, 2021. Information about the place and form of the hearing, including about how to participate in and/or view the hearing, will be posted on the Commission's website at <https://www.usitc.gov/calendarpad/calendar.html>. Interested parties should check the Commission's website periodically for updates. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before November 12, 2021. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a

prehearing conference to be held at 9:30 a.m. on November 15, 2021. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is November 8, 2021. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. The deadline for filing posthearing briefs is November 30, 2021. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before November 30, 2021. On December 22, 2021, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before December 30, 2021, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by

either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C.1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: July 19, 2021.

Lisa Barton,

Secretary to the Commission.
