Background

On March 6, 2014, the President, invoking the authority of, inter alia, the International Emergency Economic Powers Act (50 U.S.C. 1701–1706) (IEEPA), issued Executive Order (E.O.) 13660, “Blocking Property of Certain Persons Contributing to the Situation in Ukraine” (79 FR 13493, March 10, 2014). In E.O. 13660, the President determined that the actions and policies of persons including persons who have asserted governmental authority in the Crimean region without the authorization of the Government of Ukraine that undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets, constitute an unusual and extraordinary threat to the national security and foreign policy of the United States, and declared a national emergency to deal with that threat.

OFAC, in consultation with the Department of State, issued GL 13 on April 6, 2018, pursuant to the Regulations, to authorize certain transactions and activities with specific blocked entities that were otherwise prohibited by the Regulations. Subject to certain conditions, GL 13 authorized activities and transactions that were ordinarily incident and necessary to divest or transfer debt, equity, or other holdings in the entities to a non-U.S. person, or facilitate the transfer of debt, equity, or other holdings in the entities by a non-U.S. person to another non-U.S. person. Subsequently, OFAC issued 16 further iterations of GL 13, which extended and expanded the authorization to include entities in which those entities owned, directly or indirectly, a 50 percent or greater interest, and other issuer holdings, and in later iterations narrowed the scope of the authorization, due to the removal of two entities, EN+ Group PLC and United Company RUSAL PLC, from OFAC’s Specially Designated Nationals and Blocked Persons List on January 27, 2019.
