When submitting nomination materials, please indicate the Region or Discipline for which the nominee would like to be considered. Information regarding the NAETC can
be found at https://www.dol.gov/agencies/eta/dinap/council.

DATES: Nominations for individuals to serve on the NAETC must be submitted electronically; by August 30, 2021.

ADDRESSES: You may submit nominations and supporting materials described in this Federal Register Notice by the following method:

Electronically: Submit nominations, including attachments, by email using the following address: NAETC@dol.gov (use subject line “Nomination—Native American Employment and Training Council”). The Department will not accept nominations by mail, express delivery, hand delivery, messenger, courier service, or facsimile.

FOR FURTHER INFORMATION CONTACT:
Athena Brown, Division of Indian and Native American Programs, (202) 693–3737 or email at brown.athena@dol.gov.

SUPPLEMENTARY INFORMATION:
I. Background and Authority

Section 166(i)(4) of the Workforce Innovation and Opportunity Act (WIOA), 29 U.S.C. 3221(i)(4), requires the Secretary of Labor (Secretary) to establish and maintain the NAETC. The statute requires the Secretary to formally consult at least twice annually with the NAETC on the operation and administration of the WIOA Section 166 Indian and Native American employment and training programs. In addition, the NAETC advises the Secretary on matters that promote the employment and training needs of Indians and Native Americans, as well as to enhance the quality of life in accordance with the Indian Self-Determination and Education Assistance Act. The NAETC also provides guidance to the Secretary on how to make DOL discretionary funding and other special initiatives more accessible to federally recognized tribes, Alaska Native entities, and Native Hawaiian organizations.

II. Structure

The Council will be composed of no less than 15 members, but no more than 20, appointed by the Secretary, who are representatives of Indian tribes, tribal organizations, Alaska Native entities, Indian-controlled organizations serving Indians, or Native Hawaiian organizations pursuant to WIOA Section 166(i)(4)(B). The membership of the Council will, to the extent practicable, represent all geographic areas of the United States with a substantial Indian, Alaska Native, or Native Hawaiian population, and will include representatives of tribal governments and of non-reservation Native American organizations that have expertise in the areas of workforce development, secondary and post-secondary education, health care, business and economic development, and job sectors growth.

Each NAETC member will be appointed for a two-year term. A vacancy occurring in the Council membership will be filled in the same manner as the original appointment. A member appointed to a vacancy on the Council will serve for the remainder of the term for which the predecessor of that member was appointed. Members of NAETC will serve on a voluntary and generally uncompensated basis, but will be reimbursed for travel expenses to attend NAETC meetings, including per diem in lieu of subsistence, as authorized by the Federal travel regulations. All NAETC members will serve at the pleasure of the Secretary. Members may be appointed, reappointed, or replaced, and their terms may be extended, changed, or terminated at the Secretary’s discretion.

II. Nominations Process

The Department is seeking nominations from representatives of tribal governments and American Indian, Alaska Native, and Native Hawaiian organizations that have expertise in the areas of workforce development, secondary and post-secondary education, health care, human services, veteran services, business and economic development, and job sectors growth to join the Council and provide expertise on the WIOA Section 166, Indian and Native American Programs. The Charter requires that the Council, to the extent practicable, shall represent all geographic areas of the United States with a substantial Indian, Alaska Native, or Native Hawaiian population.

Accordingly, the Department is seeking representatives from each of the six ETA regions (see ETA regions located at: https://www.doleta.gov/regions), including representatives for Hawaii, Alaska, and Oklahoma and “Other Disciplines.” In nominating representatives for “Other Disciplines,” prospective nominees may represent various areas of expertise, such as technical experts (e.g., registered apprenticeships), education (tribal colleges or universities), health care, human services, elected tribal leaders, business, or other sectors.

Appointments for the following 17 members will expire on October 23, 2021:

- Mr. Darrell Waldron, Region I, Boston (includes CT, MA, ME, NH, NJ, NY, PR, RI, and VT); and Region II (includes DE, MD, PA, WV, and VA);
- Ms. Anne Richardson, Region II (includes DE, MD, PA, WV, and VA);
- Ms. Candace Lowry, Region III, Atlanta (includes AL, FL, GA, KY, MS, NC, SC, and TN);
- Ms. Lora Ann Chaisson, and Dr. Tina Farrenkopf, Region IV, Dallas (includes AR, CO, IA, LA, MT, ND, NM, OK, SD, TX, UT, and WY); and Erwin Pahmahmij, Jr., Region IV, Oklahoma
- Ms. Christine Campbell and Dr. Joe Hobot, Region V, Chicago (includes IA, IL, IN, KS, MI, MN, MO, NE, OH, and WI);
- Mr. Jacob Bernal, Ms. Patricia K. Hibbeler, Mr. Gary Rickard, and Mr. Joseph Quintana, Region VI, San Francisco (includes AK, AZ, CA, GU, HI, ID, NV, OR, and WA); and,
- Mr. Michael Tucker, Region VI, Alaska Native representative;
- Winona Whitman, Region VI, Hawaii representative; and
- Kim Kaniatobe Carroll, Matthew Lamont, and Kay Seven, Other Disciplines.

All individuals listed above are eligible for nomination.

Grantee representatives from the six ETA regions (including those designated as Pub. L. 102–477 grantees) may submit nominations for individuals residing in their ETA region only, except that nominations for Other Disciplines may be submitted by grantees from any ETA region for individuals residing in any ETA region. In order to meet the FACA requirement of a fairly balanced membership and to ensure that the points of view of Alaska Natives and Native Hawaiians are represented on the Council, nominations for individuals representing Alaska Natives and Native Hawaiians will be accepted in addition to nominations for each region. In addition, a representative for the State of Oklahoma will be accepted due to the number of tribes and the concentration of American Indians in Oklahoma.

In submitting nominations, consideration should be given to the availability of the nominee to attend and actively participate in Council meetings (a minimum of two meetings annually), willingness to serve on Council workgroups, and provide feedback to the grantee community. Communication between the Council member and his or her constituency is essential to the partnership between the Department and the Indian and Native American communities.

- Nominations must include:
  - Nominee’s Name, title, organization, address, email, and phone number;

ACTION: Notice.

SUMMARY: The Department of Labor’s (DOL) Employment and Training Administration (ETA) is soliciting comments concerning a proposed extension for the authority to conduct the information collection request (ICR) titled, Unemployment Compensation for Federal Employees Handbook No. 391. FOR FURTHER INFORMATION CONTACT: Candace Edens by telephone at (202) 693–3195 (this is not a toll-free number) or by email at: Edens.Candace@dol.gov.

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

Title 5 U.S.C. 8506 states that “[E]ach agency of the United States and each wholly or partially owned instrumentality of the United States shall make available to State agencies which have agreements, or to the Secretary of Labor, as the case may be, such information concerning the Federal service and Federal wages of a Federal employee as the Secretary considers practicable and necessary for the determination of the entitlement of the Federal employee to compensation under this subchapter.” The information shall include the findings of the employing agency concerning:

(1) Whether or not the Federal employee has performed Federal service;
(2) the periods of Federal service;
(3) the amount of Federal wages; and
(4) the reasons for termination of Federal service.

State Workforce Agencies (SWAs) administer the Unemployment Compensation for Federal Employees (UCFE) program in accordance with the same terms and provisions of the paying State’s unemployment insurance law that apply to unemployed claimants who worked in the private sector. SWAs must be able to obtain certain information (wage and separation data) about each claimant filing claims for UCFE benefits to enable them to determine an individual’s eligibility for benefits. DOL has prescribed forms to enable SWAs to obtain this necessary information from the individual’s Federal employing agency. Each of these forms is essential to the UCFE claims process and the frequency of use varies depending upon the circumstances involved. The UCFE forms are: ETA–931, ETA–931A, ETA–933, ETA–934, and ETA–935. The law (5 U.S.C. 8501, et seq.), authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the ADDRESSES section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB control number 1205–0179.

Submitted comments will also be a matter of public record for this ICR and posted on the Internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

• Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
• Evaluate the accuracy of the agency’s estimate of the burden of the
