

as the result of competition.” On July 1, 2021, the Media Bureau announced a comment filing deadline of August 2, 2021, and a reply comment filing deadline of August 30, 2021, for record updates to the above-captioned proceeding.

2. On July 12, 2021, Common Cause, Free Press, the Multicultural Media, Telecom and Internet Council (MMTC), the National Association of Black Owned Broadcasters (NABOB), and the National Association of Broadcasters (NAB) (collectively, Joint Filers) requested an extension of the comment and reply comment filing deadlines until September 2 and October 1, 2021, respectively. The Joint Filers explain that, as more than two years have passed since the original comment cycle in this proceeding was completed, there have been many economic and legal developments in the media industry in that time. The Joint Filers state that they and other interested parties need additional time to address the many complex economic and legal issues through research, updates to previously filed material, and new information.

3. As set forth in section 1.46(a) of the Commission’s rules, the Commission’s policy is that extensions of time shall not be routinely granted. We find, however, that the Joint Filers have set forth a sufficient justification to warrant grant of their requested extension. As an extension should enable interested parties to present more complete and thoughtful comments to the Commission, we agree with the Joint Filers that both the parties commenting in the proceeding and the Commission should benefit and that the extension should not disadvantage any party. Accordingly, we grant the Joint Filers’ request and extend the comment and reply comment deadlines by approximately a month, until September 2, 2021, and October 1, 2021, respectively.
