

internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NYSE-2020-95 and should be submitted on or before August 19, 2021.

VI. Accelerated Approval of Amendment No. 2

As noted above, in Amendment No. 2, as compared to the original proposal,³⁹ the Exchange proposes to: (i) Amend Rule 7.35A(c)(1)(H) to provide a 5% price parameter and eliminate the volume restrictions for DMM-facilitated Trading Halt Auctions; and (ii) amend Rule 7.35A(d)(3)(B) to provide that the Applicable Price Range for determining whether to publish a pre-opening indication for a Trading Halt Auction would be 5% for securities with an Indication Reference Price over \$3.00 and \$0.15 for securities with an Indication Reference Price equal to or lower than \$3.00. The Commission believes that the proposed 5% price parameter for DMM-facilitated Trading Halt Auctions is consistent with the Act because this percentage parameter would be aligned with the initial collars applicable to electronic reopening auctions following a MWCB Halt or trading pause on the automated primary listing exchanges that do not have trading floors. The Commission believes it is reasonable to also align the price parameter for DMM-facilitated Trading Halt Auctions with the parameter for publishing a pre-opening indication because Rule 7.35A(c)(1)(A) prohibits a

DMM from effecting a Core Open or Trading Halt Auction electronically if a pre-opening indication has been published for the Core Open Auction.

Therefore, the Commission finds that Amendment No. 2 to the proposal raises no novel regulatory issues, that it is reasonably designed to protect investors and the public interest, and that it is consistent with the requirements of the Act. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,⁴⁰ to approve the proposed rule change, as modified by Amendment No. 2, on an accelerated basis.

VII. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁴¹ that the proposed rule change (SR-NYSE-2020-95), as modified by Amendment No. 2, be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁴²

J. Matthew DeLesDernier,
Assistant Secretary.
