The proposed interim registration review decisions for the chemicals in the Table 1 were posted to the docket and the public was invited to submit any comments or new information. EPA addressed the comments or information received during the 60-day comment period for the proposed interim decisions in the discussion for each pesticide listed in the table. Comments from the 60-day comment period that were received may or may not have affected the Agency’s interim decision. Pursuant to 40 CFR 155.58(c), the registration review case docket for the chemicals listed in the Table will remain open until all actions required in the interim decision have been completed.

This document also announces the closure of the registration review case for Pseudomonas aureofaciens (Case Number 6009, Docket ID Number EPA–HQ–OPP–2012–0421) because the last U.S. registrations for these pesticides have been canceled.

Background on the registration review program is provided at: http://www.epa.gov/pesticide-reevaluation. Authority: 7 U.S.C. 136 et seq.

Dated: July 26, 2021.

**FEDERAL RESERVE SYSTEM**

**Privacy Act of 1974; System of Records**

**AGENCY:** Board of Governors of the Federal Reserve System.

**ACTION:** Notice of a modified system of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, notice is given that the Board of Governors of the Federal Reserve System (Board) proposes to modify an existing system of records entitled, BFRS–17, “FRB—Municipal or Government Securities Principals and Representatives.” BFRS–17 contains the regulatory filings (i.e., applications) for individuals seeking to become municipal securities principals or representatives associated with a municipal securities dealer or government securities principals or representatives associated with a government securities broker or dealer. The filings also include notifications of termination of activities for municipal securities principals or representatives.

**DATES:** Comments must be received on or before August 30, 2021. This new system of records will become effective August 30, 2021, without further notice, unless comments dictate otherwise.

The Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act, requires a 30-day period prior to publication in the Federal Register in which to review the system and to
provide any comments to the agency. The public is then given a 30-day period in which to comment, in accordance with 5 U.S.C. 552a(e)(4) and (11).

**ADDRESSES:** You may submit comments, identified by BGFRS–17: “FRB—Municipal or Government Securities Principals and Representatives” by any of the following methods:

- Email: regs.comments@federalreserve.gov. Include SORN name and number in the subject line of the message.
- Fax: (202) 452–3819 or (202) 452–3102.
- Mail: Ann E. Misback, Secretary, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551.

All public comments will be made available on the Board’s website at https://www.federalreserve.gov/apps/foia/proposedregs.aspx as submitted, unless modified for technical reasons or to remove sensitive personally identifiable information. Public comments may also be viewed electronically or in paper in Room 146, 1709 New York Avenue NW, Washington, DC 20006, between 9:00 a.m. and 5:00 p.m. on weekdays.

**FOR FURTHER INFORMATION CONTACT:**

**SUPPLEMENTARY INFORMATION:** The Board is moderating the system to update the system manager, to clarify the category of individuals covered, and to change the category of records in the system to reflect that the Board is no longer collecting date of birth, place of birth, or social security numbers. The Board is also updating the authority section to eliminate a reference to Executive Order 9397, which addresses collection of social security numbers as no longer necessary. The Board has modified the category of individuals to separately identify the individuals who seek to be principals or representatives associated with a municipal securities dealer from those who seek to be principals or representatives associated with a government securities broker or dealer. The Board is also changing the term “persons” throughout the system of record notice to instead refer to “individuals.”

The Board is also making technical changes to BGFRS–17 consistent with the template laid out in OMB Circular No. A–108. Accordingly, the Board has made technical corrections and non-substantive language revisions to the following sections: “Policies and Practices for Storage of Records,” “Policies and Practices for Retrieval of Records,” “Policies and Practices for Retention and Disposal of Records,” “Administrative, Technical and Physical Safeguards,” “Record Access Procedures,” “Contesting Record Procedures,” and “Notification Procedures.” The Board has also created the following new sections: “Security Classification” and “History.”

OFFICE OF GOVERNMENT ETHICS

Agency Information Collection Activities: Information Collection Renewal; Comment Request; Fast Track Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

AGENCY: Office of Government Ethics (OGE).

ACTION: Notice and request for comments.

SUMMARY: After publication of this second round notice, the Office of Government Ethics (OGE) intends to submit a renewed Generic Information Collection Request for the collection of qualitative feedback on agency service delivery for review and approval of a three-year extension under the Paperwork Reduction Act.

Comments: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Grant Anderson at the U.S. Office of Government Ethics; telephone: 202–482–9318; TTY: 800–877–8339; Email: Grant.Anderson@oge.gov.

SUPPLEMENTARY INFORMATION:

Title: Fast Track Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

Abstract: The proposed information collection provides a means to garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the agency’s commitment to improving service delivery. Qualitative feedback means information that provides useful insights on perceptions and opinions, but is not a statistical survey that yields quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences, and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training, or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative, and actionable communications between the agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management. OGE expects to use various methods (e.g., focus groups, customer satisfaction surveys, comment cards) to solicit feedback. Responses will be assessed to plan and inform efforts to improve or maintain the quality of service offered to the public and other agency stakeholders. If this information is not collected, vital feedback from customers and stakeholders on the agency’s services will be unavailable.

The agency will only submit a collection for approval under this generic clearance if it meets the following conditions:

• The collections are voluntary;
• The collections are low-burden for respondents (based on considerations of total burden hours, total number of respondents, or burdens per respondent) and are low-cost for both the respondents and the Federal Government;
• The collections are non-controversial;
• The collections are focused on the awareness, understanding, attitudes, preferences, or experiences of the public or other stakeholders in order to improve existing or future services, products, or communication materials;
• Personally identifiable information (PII) is collected only to the extent necessary;
