Privacy Act of 1974; System of Records

AGENCY: Defense Information Systems Agency (DISA), Department of Defense (DoD).

ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the DoD is modifying and reissuing a current system of records titled “Identity Synchronization Services (IdSS),” K890.14. This system of records was originally established by the DISA to populate and maintain persona-based user objects in DoD enterprise-level Domain Controllers, such as the Enterprise Application and Services Forest (EASF) implemented by DISA to provide DoD Enterprise E-Mail, DoD Enterprise Portal Service (DEPS), etc. In addition, the DISA uses the IdSS to populate and maintain persona data elements in DoD Component networks and systems, such as directory services and account provisioning systems. This system of records notice (SORN) is being updated to make various changes, including expanding the individuals covered and adding DoD’s standard routine uses.

DATES: This system of records is effective upon publication; however, comments on the Routine Uses will be accepted on or before August 30, 2021. The Routine Uses are effective at the close of the comment period.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal Rulemaking Portal: <https://www.regulations.gov>.

Follow the instructions for submitting comments.

Mail: DoD cannot receive written comments at this time due to the COVID-19 pandemic. Comments should be sent electronically to the docket listed above.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mrs. Jeanette M. Weathers-Jenkins, DISA Privacy Officer, 6914 Cooper Ave., Fort Meade, MD 20755-7090, or by phone at (301) 225-8158.

SUPPLEMENTARY INFORMATION:

I. Background

The DISA is modifying the K890.14 IdSS system of records, to provide DoD Enterprise E-Mail, DEPS, etc. In

addition, it will allow the IdSS to populate and maintain persona data elements in DoD Component networks and systems, such as directory services and account provisioning systems to provide DoD Enterprise E-Mail. Subject to public comment, the DoD proposes to update this SORN to add the standard DoD routine uses (routine uses A through I) and to allow for additional disclosures outside DoD related to the purpose of this system of records.

Additionally, the following sections of this SORN are being modified as follows: (1) System Location and System Manager(s), to provide instructions on obtaining a list of system location(s); (2) Authority for Maintenance of the System, to update citation(s) and add additional authorities; (3) Purpose(s) of the System, to clarify the system’s purpose for the general public; (4) Categories of Individuals Covered by the System, to expand the individuals covered, and Categories of Records, to clarify how the records relate to the revised Category of Individuals; (5) Record Source Categories, to provide clarity; (6) Routine Uses, to align with DoD’s standard routine uses; (7) Record Access Procedures, to reflect the need for individuals to identify the appropriate DoD office or component to which their request should be directed; and (8) Contesting Records Procedures and Notification Procedures, to update the appropriate citation for contesting records. Additionally, the sections containing the policies on storage, retrieval of records, retention and disposal of records, and safeguards have been modified to improve clarity generally and for compliance with National Archives and Records Administration approved records schedules. This notice also includes non-substantive changes to simplify the formatting and text of the previously published notice.

DoD SORNs have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD) website at <https://dpcltd.defense.gov/privacy>.
