can be found in the collection’s supporting statement and associated materials (see ADDRESSES).

**Generic Information Collection**

1. **Type of Information Collection Request**: New collection: Title of Information Collection: Expressions of Interest in the Infant Well-Child Visit Affinity Group; Use: To improve the use and quality of well-child visits for Medicaid and CHIP beneficiaries ages 0 to 12 months, CMS has launched the Infant Well-Child Visit Learning Collaborative Affinity Group. The affinity group will provide technical assistance to state Medicaid and CHIP agencies and their partners through group workshops and one-on-one meetings. Quality improvement (QI) advisors and subject matter experts will provide state teams with individualized guidance, including QI tools, to identify, implement, and test change ideas to improve infant well-child visits and then scale those changes that prove successful.

Many infants do not receive the recommended number of infant well-child visits. Reasons for missing visits include lack of transportation, work responsibilities, lack of childcare, and other social stressors. The COVID–19 pandemic has exacerbated the number of missed well-child visits, with 21 percent fewer (4.6 million) child screening services provided between March through October 2020, compared to the same period in 2019. Because Medicaid and CHIP cover nearly 40 percent of all children, focusing on well-child visits is an opportunity for state Medicaid and CHIP programs to improve overall attendance and quality of infant well-child visits and to reduce disparities in well-child care. When children receive the recommended number of high-quality visits, they are more likely to be up-to-date on immunizations, have developmental concerns recognized early, and are less likely to visit the emergency department. **Form Number**: CMS–3410–N

**Medicare Program; Virtual Meeting of the Medicare Evidence Development and Coverage Advisory Committee—September 22, 2021**

**AGENCY**: Centers for Medicare & Medicaid Services (CMS), Health and Human Services (HHS).

**ACTION**: Notice.

**SUMMARY**: This notice announces a virtual public meeting of the Medicare Evidence Development & Coverage Advisory Committee (MEDCAC) (“Committee”) will be held on Wednesday, September 22, 2021. The MEDCAC panel will examine relevant health outcomes in studies for cerebrovascular disease treatment with a particular focus on new technologies of interest to CMS. Given the increased emphasis on new and innovative medical products for treating diseases that have few proven therapies, studies on certain medical technologies have focused on intermediate and surrogate outcomes rather than longer-term data. As a result, there are more frequent evidence gaps with respect to the clinically meaningful health outcomes for CMS beneficiaries, and these gaps impact our assessments of medical technologies. The MEDCAC panel will examine the growing challenges associated with the decreased level of evidence of certain new and innovative technologies. By voting on specific questions, and by their discussions, MEDCAC panel members will advise CMS about the ideal health outcomes in research studies of cerebrovascular disease treatment technologies, appropriate measurement instruments and follow-up durations to help to provide clarity and transparency of National Coverage Analyses (NCAs). This meeting is open to the public in accordance with the Federal Advisory Committee Act.

**DATES**: Meeting Date: The virtual meeting will be held on Wednesday, September 22, 2021 from 8:00 a.m. until 4:30 p.m., Eastern Daylight Time (EDT).

**Deadline for Submission of Written Comments**: Written comments must be received at the email address specified in the ADDRESSES section of this notice by 5:00 p.m., Eastern Daylight Time (EDT), on Monday, August 23, 2021. Once submitted, all comments are final.

**Deadline for Speaker Registration and Presentation Materials**: The deadline to register to be a speaker and to submit PowerPoint presentation materials and writings that will be used in support of an oral presentation is 5:00 p.m., EDT, on Monday, August 23, 2021. Speakers may register by phone or via email by contacting the person listed in the FOR FURTHER INFORMATION CONTACT section of this notice. Presentation materials must be received at the email address specified in the ADDRESSES section of this notice.

**Submission of Presentations and Comments**: Presentation materials and written comments that will be presented at the meeting must be submitted via email to MedCACpresentations@cms.hhs.gov section of this notice by Monday, August 23, 2021.

**Deadline for All Other Attendees Registration**: Individuals who want to join the meeting may register online at https://cms.zoomgov.com/webinar/register/WN/efjmmuvv1UTlmALOSXqhKnPQ 4:30 p.m. EDT, on Wednesday, September 22, 2021.

**Webinar and Teleconference Meeting Information**: Teleconference dial-in instructions, and related webinar details will be posted on the meeting agenda, which will be available on the CMS website http://www.cms.gov/medicare-coverage-database/indexes/medcac-meetings-index.aspx?bc=AAAAAAAAAA&. Participants in the MEDCAC meeting will require the following: A computer, laptop or smartphone where the Zoom application needs to be downloaded; a strong Wi-Fi or an internet connection and access to use Chrome or Firefox web browser and a webcam if the meeting participant is scheduled to speak or make a presentation during the meeting.

**Deadline for Submitting a Request for Special Accommodations**: Individuals viewing or listening to the meeting who are hearing or visually impaired and have special requirements, or a condition that requires special assistance, should send an email to the MEDCAC Coordinator as specified in the FOR FURTHER INFORMATION CONTACT section of this notice no later than 5:00 p.m., EDT on Friday, July 30, 2021.
MEDCAC, formerly known as the Medicare Coverage Advisory Committee (MCAC), is advisory in nature, with all final coverage decisions resting with CMS. MEDCAC is used to supplement CMS’ internal expertise. Accordingly, the advice rendered by the MEDCAC is most useful when it results from a process of full scientific inquiry and thoughtful discussion, in an open forum, with careful framing of recommendations and clear identification of the basis of those recommendations. MEDCAC members are valued for their background, education, and expertise in a wide variety of scientific, clinical, and other related fields. (For more information on MEDCAC, see the MEDCAC Charter (http://www.cms.gov/Regulations-and-Guidance/Guidance/FACA/Downloads/medcaccharter.pdf) and the CMS Guidance Document, Factors CMS Considers in Referring Topics to the MEDCAC (http://www.cms.gov/medicare-coverage-database/indexes/medcac-meetings-index.aspx?bc=BAAAAAAAAAAA@@). Electronic copies of all the meeting materials will be on the CMS website no later than 2 business days before the meeting. We encourage the participation of organizations with expertise in the appraisal of the state of evidence for the use of services and technologies to diagnose and treat patients with cerebrovascular disease. This meeting is open to the public. The Committee will hear oral presentations from the public for approximately 45 minutes. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than what can be reasonably accommodated during the scheduled open public hearing session, we may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by August 30, 2021. Your comments must focus on issues specific to the list of topics that we have proposed to the Committee. The list of research topics to be discussed at the meeting will be available on the following website prior to the meeting: http://www.cms.gov/medicare-coverage-database/indexes/medcac-meetings-index.aspx?bc=BAAAAAAAAAAA@@. We require that you declare at the meeting whether you have any financial involvement with manufacturers (or their competitors) of any items or services being discussed. Speakers presenting at the MEDCAC meeting must include a full disclosure slide as their second slide in their presentation for financial interests (for example, type of financial association—consultant, research support, advisory board, and an indication of level, such as minor association <$10,000 or major association >$10,000) as well as intellectual conflicts of interest (for example, involvement in a federal or nonfederal advisory committee that has discussed the issue) that may pertain in any way to the subject of this meeting. If you are representing an organization, we require that you also disclose conflict of interest information for that organization. If you do not have a PowerPoint presentation, you will need to present the full disclosure information requested previously at the beginning of your statement to the Committee.

The Committee will deliberate openly on the topics under consideration. Interested persons may observe the deliberations, but the Committee will not hear further comments during this time except at the request of the chairperson. The Committee will also allow a 15-minute unscheduled open public session for any attendee to address issues specific to the topics under consideration. At the conclusion of the day, the members will vote and the Committee will make its recommendation(s) to CMS.

III. Registration Instructions

CMS’ Coverage and Analysis Group is coordinating meeting registration. While there is no registration fee, individuals must register to attend. You may register online at http://www.cms.gov/apps/events/upcomingevents.asp?strOrderBy=1&type=3 or by phone by contacting the person listed in the FOR FURTHER INFORMATION CONTACT section of this notice by the deadline listed in the DATES section of this notice. Please provide your full name (as it appears on your state-issued driver’s license), address, organization, telephone number(s), and email address. You will receive a registration confirmation with instructions for your participation at the virtual public meeting.

IV. Collection of Information

This document does not impose information collection requirements, that is, reporting, recordkeeping or third-party disclosure requirements. Consequently, there is no need for review by the Office of Management and Budget under the authority of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

The Chief Medical Officer and Director of the Center for Clinical Standards and Quality for the Centers for Medicare & Medicaid Services (CMS), Lee A. Fleisher, having reviewed and approved this document, authorizes Lynette Wilson, who is the Federal Register Liaison, to electronically sign this document for purposes of publication in the Federal Register.

Lynette Wilson,
Federal Register Liaison, Centers for Medicare & Medicaid Services.
