The Department of Labor anticipates that the WIAC will accomplish its objectives by: (1) Studying workforce and labor market information issues; (2) seeking and sharing information on innovative approaches, new technologies, and data to inform employment, skills training, and workforce and economic development decision making and policy; and (3) advising the Secretary on how the workforce and labor market information system can best support workforce development, planning, and program development. Additional information is available at www.dol.gov/agencies/eta/wioa/wiac/meetings.

Purpose: The WIAC is currently in the process of identifying and reviewing issues and aspects of the WLMI system and statewide systems that comprise the nationwide system and how the Department and the States will cooperate in the management of those systems. As part of this process, the Advisory Council meets to gather information and to engage in deliberative and planning activities to facilitate the development and provision of its recommendations to the Secretary in a timely manner.

Agenda: The agenda topics for this series of virtual meetings are: (1) Review and approve minutes from the previous meeting; (2) remarks and discussion with Department of Labor leadership or agency staff on role of WLMI in economic recovery; (3) review and discuss reports and recommendations from the three sub-committees— Unemployment Insurance Wage Records, Changing Nature of Work, and Funding for State/Local WLMI Capacity; (4) discuss potential areas for future recommendations; and (5) comment period for the general public. A detailed agenda will be available at www.dol.gov/agencies/eta/wioa/wiac/meetings shortly before the meetings commence.

The Advisory Council will open the floor for public comment at approximately 2:30 p.m. EST on each meeting date and last for approximately 10 minutes. However, that time may change at the WIAC Chair’s discretion.

Attending the meetings: Members of the public who require reasonable accommodations to attend any of the meetings may submit requests for accommodations via email to the email address indicated in the FOR FURTHER INFORMATION CONTACT section of the meeting announcement. Indicators in the DATES section. Please include a specific description of the accommodations requested and phone number or email address where you may be contacted if additional information is needed to meet your request.

Public statements: Organizations or members of the public wishing to submit written statements may do so by mailing them to the person and address indicated in the FOR FURTHER INFORMATION CONTACT section by the date indicated in the DATES section or transmitting them as email attachments in PDF format to the email address indicated in the FOR FURTHER INFORMATION CONTACT section with the subject line “August 2021 WIAC Meeting Public Statements” by the date indicated in the DATES section. Submitter may include their name and contact information in a cover letter for mailed statements or in the body of the email for statements transmitted electronically. Relevant statements received before the date indicated in the DATES section will be included in the record of each meeting. No deletions, modifications, or redactions will be made to statements received, as they are public records. Please do not include personally identifiable information in your public statement.

Requests to Address the Advisory Council: Members of the public or representatives of organizations wishing to address the Advisory Council should forward their requests to the contact indicated in the FOR FURTHER INFORMATION CONTACT section, or contact the same by phone, by the date indicated in the DATES section. Oral presentations will be limited to 10 minutes, time permitting, and shall proceed at the discretion of the WIAC Chair. Individuals with disabilities, or others who need special accommodations, should indicate their needs along with their request.

Suzan G. LeVine,
Principal Deputy Assistant Secretary,
Employment and Training, Labor.

**SUPPLEMENTARY INFORMATION:**

### I. Abstract

NASA’s founding legislation, the Space Act of 1958, as amended, directs the agency to expand human knowledge of Earth and space phenomena and to preserve the role of the United States as a leader in aeronautics, space science, and technology. The NASA Office of STEM Engagement administers the agency’s national education activities in support of the Space Act, including the performance measurement and evaluation of educational projects and programs. This generic clearance will allow the NASA Office of STEM Engagement to continue to test and pilot with subject matter experts, secondary students, higher education students, educators, and interested parties new and existing information collection forms and assessment instruments for the purposes of improvement and establishing validity and reliability characteristics of the forms and instruments. Existing information collections include the NASA Intern Survey (Retrospective Survey), NASA Internship Applicants and Awarded Survey (Retrospective Survey), STEM Challenges Impact Surveys (Educator Feedback Retrospective Survey), STEM Challenges Impact Surveys (Parent Survey), and STEM Challenges Impact Surveys (Student Retrospective Survey). Forms and instruments to be tested include program application forms, customer satisfaction questionnaires, focus group protocols, and project activity survey instruments.

Methodological testing will include focus group discussions, pilot surveys to test new individual question items as well as the complete form and instrument. In addition, test-retest and similar protocols will be used to determine reliability characteristics of the forms and instruments. Methodological testing will assure that forms and instruments accurately and consistently collect and measure what they are intended to measure and that data collection items are interpreted precisely and consistently, all towards the goal of accurate Agency reporting while improving the execution of NASA STEM Engagement activities.

### II. Methods of Collection
