Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2019–2020

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET Film) from Taiwan. The period of review (POR) is July 1, 2019, through June 30, 2020. This review covers the following producers and exporters from Taiwan, Nan Ya Plastics Corporation (Nan Ya), Shinkong Materials Technology Corporation (SMTC)/Shinkong Synthetic Fibers Corporation (SSFC). Commerce preliminarily determines that sales of subject merchandise have not been made below normal value (NV) by Nan Ya during the POR. In addition, we preliminarily find that SMTC/SSFC had no shipments during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Applicable August 2, 2021.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2020, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order on PET film from Taiwan.¹ On July 27, 2020, Polyplex USA LLC (Polyplex USA), a domestic producer and interested party, requested a review of Nan Ya, SMTC and SSFC.² On July 30, 2020, the petitioners³ requested a review of Nan Ya and SMTC.⁴ Nan Ya self-requested an administrative review of its sales on July 31, 2020.⁵ On September 3, 2020, in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice of initiation of administrative review of the antidumping duty order on PET Film from Taiwan.⁶ On December 2, 2020, Polyplex USA withdrew its request for an administrative review of entries of PET film for all of the companies that it requested be reviewed in this administrative review period: Nan Ya, SSFC and SMTC.⁷

On September 30, 2020, SMTC and SSFC each claimed that they did not sell or export any subject merchandise to the United States during the POR.⁸ On November 24, 2020, Commerce uploaded entry data on the record of the administrative review.⁹ On December 1, 2020, SMTC submitted comments explaining and documentation showing that neither SMTC nor SSFC had

produced subject merchandise during the POR or three months prior to the POR.¹⁰ No rebuttal comments were submitted. On January 7, 2021, Commerce sent a no shipment inquiry for SMTC and SSFC to U.S. Customs and Border Protection (CBP).¹¹ On June 7, 2021, CBP replied that it found no evidence of shipments from SMTC and SSFC during the POR.¹²

On December 11, 2020, Commerce issued its initial questionnaire to Nan Ya.¹³ Between January 4, 2021 and January 21, 2021,¹⁴ Nan Ya submitted its responses to section A and sections B through D of the questionnaire. On June 16, 2021, Commerce issued a supplemental questionnaire to Nan Ya.¹⁵ On June 30, 2021, Nan Ya submitted its supplemental questionnaire response.¹⁶

On March 25, 2021, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by 60 days (from April 2, 2020, to June 2, 2021).¹⁷ On June 1, 2021, we extended the deadline by an additional 30 days.¹⁸ On July 2, 2021, we extended the deadline until July 30, 2021.¹⁹

the order is currently classifiable under subheading 3920.62.00.90 of the Harmonized Tariff Schedule of the United States. Although the HTSUS number is provided for convenience and for customs purposes, the written product description, available in the Preliminary Decision Memorandum, remains dispositive.²⁰

Preliminary Determination of No Shipments

Based on U.S. Customs and Border Protection (CBP)'s response to Commerce's no shipment inquiry as well as the certifications and supporting documentation provided by SMTC and SSFC in their no shipment certifications, we preliminarily determine that SMTC and SSFC²¹ had no shipments of the subject merchandise during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to SMTC/SSFC, but rather will complete the review and issue appropriate liquidation instructions to CBP based on the final results.²² For additional information regarding this determination, see the No Shipments' Determination for SMTC and SSFC Memorandum.²³

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in

²⁰ A full description of the scope of the order is contained in the Preliminary Decision Memorandum, which is dated concurrently with, and hereby adopted by, this notice.

²¹ In the 2011–2012 administrative review, Commerce determined that SSFC and SMTC were a single entity. See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Preliminary Results of Antidumping Duty Administrative Review; 2011–2012*, 78 FR 48651 (August 9, 2013), and accompanying Preliminary Decision Memorandum, unchanged in *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Final Results of Antidumping Duty Administrative Review; 2011–2012*, 79 FR 11407 (February 28, 2014). We have treated SMTC and SSFC as a single entity in all subsequent reviews and have included SSFC when only SMTC was requested in the administrative review. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination. Accordingly, we continue to treat SMTC and SSFC as a single entity for purposes of this administrative review.

accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

Producer/exporter	Weighted-average dumping margin (percent)
Nan Ya Plastics Corporation	0.00

Assessment Rates

Upon completion of this administrative review, Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce clarified its "automatic assessment" regulation on May 6, 2003.²⁶ This clarification applies to entries of subject merchandise during the POR produced by a respondent for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP 35 days after the date of publication of the final results of this administrative review in the **Federal Register**.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET Film from Taiwan entered, or withdrawn from warehouse, for

consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent.²⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with

this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

Dated: July 26, 2021.

Acting Assistant Secretary for Enforcement and Compliance.
