

consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent.²⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with

this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

Dated: July 26, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that certain producers and/or exporters made sales of diamond sawblades and parts thereof (diamond sawblades) at less than normal value during the period of review (POR) November 1, 2019, through October 31, 2020. Interested parties are invited to comment on these preliminary results of review.

SUPPLEMENTARY INFORMATION:

Background

On November 4, 2009, we published in the **Federal Register** an antidumping duty order on diamond sawblades from the Peoples’ Republic of China (China).¹ On November 3, 2020, we published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.² On January 6,

2021, based on timely requests for an administrative review, Commerce initiated the administrative review of the antidumping duty order on diamond sawblades.³ The administrative review covers 53 companies, which is inclusive of the two mandatory respondents, Jiangsu Fengtai Single Entity (Jiangsu Fengtai) and Zhejiang Wanli Tool Group Co., Ltd. (Zhejiang Wanli).⁴

Scope of the Order

The products covered by this *Order* are diamond sawblades. A full description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.⁵

Preliminary Determination of No Shipments

Six companies that received a separate rate in previous segments of the proceeding and are subject to this review reported that they did not have any exports of subject merchandise during the POR.⁶ To date, we have found no evidence calling into question the no-shipment claims made by four of these companies;⁷ therefore, we

preliminarily find that these four companies had no shipments of subject merchandise to the United States during the POR. For two of the six companies, because CBP data indicated entries during the POR, we requested entry documentation from CBP.⁸ Based on information on the record, we preliminarily find that Husqvarna (Hebei) Co., Ltd. (Husqvarna) had entries of subject merchandise during the POR. Therefore, because it did not file a separate rate application or separate rate certification (SRC), we are preliminarily considering Husqvarna to be part of the China-wide entity. We additionally find, based on information on the record, that Weihai Xiangguang Mechanical Industrial Co., Ltd. (Weihai Xiangguang) did not have entries of subject merchandise during the POR. Therefore, we preliminarily find that Weihai Xiangguang had no shipments of subject merchandise to the United States during the POR. For additional information regarding these preliminary determinations, see the Preliminary Decision Memorandum.

Separate Rates

Commerce preliminarily determines that one respondent is eligible to receive a separate rate in this review.⁹

Separate Rates for Eligible Non-Selected Respondents

Consistent with our practice, because we preliminarily denied the separate rate eligibility for the two respondents selected for individual examination, Jiangsu Fengtai and Zhejiang Wanli, and treated them as part of the China-wide entity, we preliminarily applied to the non-selected respondent the separate rate assigned to eligible respondents in the last completed administrative review, which is 0.00 percent.¹⁰

China-Wide Entity

Under Commerce’s policy regarding the conditional review of the China-wide entity,¹¹ the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because
