Assessment

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

Consistent with Commerce’s assessment practice in non-market economy cases, for entries that were not reported in the U.S. sales database submitted by companies individually examined during the administrative review, Commerce will instruct CBP to liquidate such entries at the Vietnam-wide rate. Additionally, if Commerce determines that an exporter under review had no shipments of subject merchandise, any suspended entries that entered under the exporter’s case number (i.e., at that exporter’s rate) will be liquidated at the Vietnam-wide rate.8 Consistent with its recent notice,9 Commerce intends to issue assessment

instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements
The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For SeAH VINA, a zero cash deposit rate; (2) for previously investigated or reviewed Vietnamese and non-Vietnamese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the exporter-specific rate published for the most-recently completed segment of this proceeding in which the exporter was reviewed; (3) for all Vietnamese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the rate established for the Vietnam-wide entity, which is 111.47 percent; and (4) for all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter that supplied that non-Vietnamese exporter with the subject merchandise. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers
This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order
This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(6), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties
We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(f)(1) of the Act, and 19 CFR 351.221(b)(5).

Christian Marsh,
Acting Assistant Secretary for Enforcement and Compliance.
